Entered as second-class matter January 19th, 1905, at the postoffice at Salisbury, N. C. under the act of Congress of March 3rd, 1879.

Salisbury, N. C., May 29, 1918

Enough has been said relative to the congressional contest in this district between Walter Murphy and Hon R L Doughton. It is now time to vote and, just how to vote is a very important matter. Mr Doughton has been loyal to the people of this district, has been loyal to his party and to his country. While the boys were making a fight for the immigration bill, putting flags over the schools and bibles in them Mr Doughton was giving his assistance and voting right on the subject. Mr Murphy was lending no assistance whatever, but since patriotism has become popular he has slipped on a patriotic veneer and is trying to slide into congress thereby. We feel sure such pretense, and his speeches for the Red Cross, which merely to advertise himself, will not induce our people to vote for him, but rather for Mr Doughton who has been steadfast, true and is now much more capable of rendering the country a service, when service is really needed, than it is possible for any new man to do. This is not the time to play politics or swap horses. Let's give Doughton every vote possible on Saturday. It is the best thing that can be done at this time. A vote for Doughton will help win the war, a vote for Murphy means doubt and delay.

Four Men Killed in an Explosion Near Wilmington.

Wilmington, May 28. — Four men were killed and several others badly scalded late yesterday at the Little River plant of the Hammer Lumber Company, 55 miles from here, when a boiler exploded, wrecking the building in which it was housed, according to meager information received here by officials of the company today.

The boilers of the mammoth plant are housed in separate buildings and the explosion did not necessitate the closing down the plant. Letting cold water into a steam filled boiler was said to have caused the explosion. Because of the plant's isolation, details are yet lacking.

141 Rowan Boys Off.

Early this morning 141 of the Rowan boys, the second quota, congregated at the city post office ready to entrain for Camp Jackson at Columbia S C. Chairman M C Quinn called the roll and made a short talk, which was followed by a talk by Capt Frank Brown. After a recess and a march up to the square and back, headed by a band, the boys were served a splendid dinner by the ladies on they Crego lawn. Dinner over they marched to the depot and left on train No 45. The boys had been furnished comfort kits filled with needful articles and left in high spirits. They will hardly reach France, if needed, before next January.

THAT CHANGE IN WOMAN'S LIFE

Mrs. Godden Tells How It May be Passed in Safety and Comfort.

Fremont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. GODDEN, 925 Napoleon St., Fremont, Ohio.

Such annoying symptoms as heat flashes, nervousness, headache, irritability and "the blues," may be speedily overcome and the system restored to normal conditions by this famous root and herb remedy Lydia E. Pinkham's Vegetable Compound. If any complications present themselves write the Pinkham Medicine Co., Lynn, Mass., for suggestions how to overcome them. The result of forty years experience is at your service and your letter held in strict confidence.
