My kidneys were weak and the secretions were highly colored and painful in passage. I was advised to try Doan's Kidney Pills and began using them. Doan's removed every sign of the trouble and I have never had a return of it."

The boys in the trenches are risking their lives for you; and you are not even asked to risk your money for them. But you are expected to loan your money—loan it at four per cent. compound interest, the highest rate the Government has ever paid.
