

Germany cuts Part of Black Sea Fleet.

London, July 1—The Bolshevik government has surrendered to Germany a part of the Russian Black Sea fleet which fled to Novo Rossvak when the Germans captured Sebastopol, says an official telegram from Moscow. Other ships of the fleet were blown up by their crews.

Germany has promised not to use the warships and to return them to Russia after the conclusion of peace.

Moscow, Sunday, June 22—Only one dreadnaught and three destroyers of the Russian Black Sea fleet returned to Sebastopol in compliance with the German command, the correspondent here is reliably informed.

The ships blown up by their crew were much larger than those given over to Germany.

Learned With Mr. Drake.

Recording the death of J. M. Cross, an old time printer who died in Asheville recently, the Courier says Mr Cross learned to set type in the office of E B Drake who published a weekly in Asheville about 60 years ago. Mr. Drake afterwards came to Statesville, and published the Iredell Express, the county's first newspaper. The name of the paper was changed to Statesville American after the Civil War and was published until about 1885.

Brown Reunion Association.

Many of our members and friends may be wondering what we are doing, or going to do this year. We are glad to say the association is still living, active and healthy.

At a recent meeting of the executive committee the vital parts of the work were considered and continued, parts and papers of great importance will be looked after and records made of them.

Owing to the disturbed condition of our country and a demand for economy, it was agreed to not have any public meeting this year, but the committees, list bearers, etc. remain in office and are instructed to continue their work with the same energy as before, and be prepared to make surprisingly favorable reports when we can meet again. We are now looking forward to that time with joyful anticipation. We will always need some money to bear the working expenses as they come up, hence our treasury should never be allowed to get empty. Solicit, collect and turn it over to the treasurer, Nathan Brown.

STOMACH TROUBLE
Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard
