

Stock up Now Campaign.

Atlanta, Ga., July 30.—Southern industries and all classes of shippers and receivers throughout the South are being actively urged by railroad freight traffic representatives to anticipate winter transportation difficulties by storing up during the next three months as much as possible of such supplies as fuel, raw material and storage stock.

The "stock up now storage campaign" which the railroads are conducting is by order of Reginal Director B.L. Winchell. In a letter to the Federal managers, Mr Winchell points out that this plan should relieve much of the strain which the railroad system experiences during the winter season and at the same time enable the railroads to take care of the large war shipments which must be given right of way.

Freight traffic service representatives of the railroads are personally visiting every industry and shipper on their lines to suggest that for their own protection they adopt the policy of "stocking up" during the remaining months of good weather when the flow of transportation is the easiest and the demand on railroads are relatively lightest. Those industries and plants having no provision for surplus storage facilities are advised to provide such facilities now and thereby avoid the possibility of having to close down for lack of fuel and material later on.

Don't Blame the Child.

Don't scold your children for lack of control over the kidney secretions. It is not always the children's fault—in many cases it means weak kidneys and can be readily righted. Read this Salisbury parent's advice.

D W Morris, 801 N. Fulton St., says: When my child was about two years old it had an attack of kidney trouble. The child's kidneys were weak and the secretions were scanty. The trouble became worse as time passed. Finally I gave the child Doan's Kidney Pills and it certainly was wonderful how Doan's helped it and in a few days had the kidneys regulated and the child felt and acted like itself again."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr Morris had. Foster-Milburn Co., Mfgs, Buffalo, N. Y.

Chief of Police Steele Has Been Caught With A Uniform on.

Chief of Police J M Steele is wearing the regulation uniform with brass buttons and epulettes designing his rank as head of the police force. This is not the first time the Chief has worn the uniform however. He once wore the Confederate gray and in later years wore the dark sergeant's uniform at Greenville, S. C. But this is the first time in many years the Salisbury Chief has worn the uniform, although he has been known to wear clothes before, also behind. Captain John Kesler is also wearing shoulder straps.

No Worms in a Healthy Child.

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 50c per bottle.
