Figures seems to indicate that about 5,000.000 soldiers were killed during the war. Counting the civilians murdered and starved the total will probably reach 6,000;000. Woe unto the guilty!

The county's expense account for November amounted to \$13,-008 08. This single month is nearly 100 per cent more than for the entire year of 1879. There is much waste in these expenditures and there ought to be a way to stop it. A so-called health officer gets \$290 of the waste.

Your Uncle Sam, it is reported, expects to see that female employees are to be paid the same wages of males. •Yes, that's it Uncle, push the matter right along, there's a lot of men wanting a rest. You know when a woman runs a millinery shop or a boarding house, the old man loafs. So let's make loafing agreeable dear Uncle and get your paternalism well establish ed.

We notice the North Carolina Department of Agriculture wants to boss the next legislature. It has already arranged to try to have a number of laws enacted, among which is a dog law, a State-wide stock law, etc. 7 his is the trouble with creating boards, they seem to think it necessary for them to get a big stick with which to lambast the public into doing their bidding Will the legislature represent the people or become rubber stamps for the State's rapidly spreading bureaucracies?

We receive weekly bulletins from Raleigh and some are quite exasperating when we remember the people are being burdened with taxes to pay for same. Some do not have as much value to the public as paying boys good salaries to play marbles in the back yard, while others ought to be suppressed. We have a Farmers' Market Bulletin before us that is issued for the purpose of finding buyers for farm products. We notice that some fellow has a cow for sale, that a fellow in Durham has an assorted lot of chickens for sale, another has some potatoes, another some onions, etc. Besides being a waste of money, it makes a very poor showing, for it appears there are only about 125 farmers, stores, etc., in the State who have anything for sale, or, Is this bulletin gotten out at the expense of the State merely to accommodate this little bunch of trafficers? Let us hope the next legislature will have a house cleaning.
