**WE SOLD OUT OUR LAST PURCHASE IN ONE DAY**

So great was the response to our sale of these frocks last Monday, and so many requests have come to us for a repeat sale, that we wired the manufacturers for a like shipment of these frocks for Friday and Saturday's selling. Ask any of the women who purchased these frocks last Monday as to the **STYLE, QUALITY and VALUES.**

Come in Friday . . . See Them . . . Try Them on . . . Compare them with what you've seen elsewhere. We know you will agree that you have never seen such values to sell for so little.
