

Salisbury High Plays Winston-Salem Saturday

HARDEST TUSSLE ON SCHEDULE IS FACED BY LOCALS

If Local Highs Are Victorious, They Will Play Charlotte For Western Championship.

Saturday is chock full of interesting football games in this state.

The outstanding game, insofar as Salisbury is concerned is the game scheduled in Winston-Salem Saturday afternoon between the local highs and the Twin-city boys.

The winner of this game will then play Charlotte for the western championship of North Carolina. Durham has won the eastern pennant.

This Saturday's grid program will be comparatively light, many elevens taking a rest to prepare for Thanksgiving Day skirmishes. The lack of equality, however, is offset by several contests of more than casual interest.

Here are a few of the most important battles of this week's card to fans of this section:

Duke vs. Carolina at Durham.
State vs. South Carolina, Columbia.
Lenoir-Rhyne vs. High Point.
Catawba vs. Lincoln Memorial.
Appalachian vs. Concord State.
Mars Hill vs. Blue Ridge.
U. N. C. Frosh vs. Virginia Frosh.
Georgia vs. Auburn.
Florida vs. Georgia Tech.
Sewanee vs. Tulane.
Harvard vs. Yale.
Notre Dame vs. Southern Calif.
Columbia vs. Syracuse.

With the North Carolina State Big Five championship safely in the bag, the University of North Carolina Tar Heels are ready for the coming Duke battle Saturday with their mind set on improving their standing in the Southern Conference, adding to their honors in state and to help Rip Slusser overtake Kid Brewer in the individual battle for scoring honors.

They now lead in team scoring with 101 points, for an average of 12.5 per game. In the individual battle Kid Brewer holds his nine point lead over Rip Slusser, the Tar Heel plunger.

G. O. P. MEET IN GREENSBORO DECEMBER 5TH

Call for a special meeting of the republican state executive committee in Greensboro at 11 o'clock, as formulated by Chairman James S. Duncan, has been dispatched to the members of the committee.

"This meeting," Chairman Duncan advises in the notice, "is called to discuss matters of vital interest to the party and to make arrangements for the campaign of 1932. It is also for the purpose of making recommendations for the election of officers which come under the jurisdiction of the state executive committee under our plan of organization and for the transaction of other business as may

come before the meeting."

The committee will indorse two persons for appointive offices in the middle-district, United States district attorney and United States marshal. Appointment is by the president of the United States.

In a sense, this meeting of the committee, may be regarded as signalizing the launching of the 1932 campaign.

HIGH TITULAR GAME LIKELY DEC. 4 OR 5

The date for this year's state championship high school football games has been tentatively set as Friday, November 27, E. R. Rankin, secretary of the state high school athletic association, announced as he gave out official standings for the class A conferences.

The class B championship game definitely will be played that day, he said. Apex and Elizabeth City highs play at Raleigh Friday, and Reidsville and Spencer highs at Winston-Salem Friday, and the winners will clash for the title.

The class A game will be played the same day, he said unless Charlotte and Salisbury tie for the western title. Durham has finished its schedule undefeated to win the right to represent the east. Charlotte and Salisbury are both undefeated. Each has one more game, but they do not meet. In the event of a Charlotte-Salisbury tie, Mr. Rankin said, the class A championship game will be set back to Friday or Saturday, December 4 or 5.

FORMER MAYOR HELD FOR THEFT

Wilmington.—C. C. Broughton, reported to be a former mayor of Troy, reading clerk in a former session of the General Assembly and an attorney, was convicted of larceny of a pocket book containing \$7.50 by a jury in New Hanover superior court. Sentence was deferred. The pocket book was allegedly stolen from the home of Mrs. Martha Lewis several weeks ago. Broughton pleaded his own case.

CORONER DELAYS INQUEST UNTIL ANALYSIS COMES

Upon Advice Of Attorneys, Young Man Held As Material Witness In Mary Chance Death, Is Non-committal.

Chalmers Kincaid, who is being held in jail here as a material witness in connection with the death of Miss Mary Chance Sunday night, upon instructions from his attorneys, refused to discuss the tragedy.

Kincaid was arrested Monday and has been in the Rowan county jail since that time.

The coroner's inquest into the death of Miss Mary Chance, set for last night, has been postponed.

This delay was made necessary as the chemical analysis of the young girl's stomach had not arrived Thursday as expected which is considered necessary to determine the cause of her death. Coroner Tatum stated last night the inquest will probably be held within the next few days. It will be recalled that Miss Chance, young girl in her early twenties from Wrens, Ga., who was visiting in this city, died Sunday night at the home of Mr. and Mrs. C. H. McAdams, 325 South Lee Street, following the taking of a dose of poison.

Chalmers Kincaid, said to be the girl's sweetheart, is being held in custody of officers, as a material witness.

The body of Miss Chance was shipped to her home in Wrens, Ga., Tuesday and burial took place Wednesday.

4 BANK OFFICIALS ARE INDICTED ON CONSPIRACY COUNT

Asheville.—The Buncombe county grand jury this week indicted John Mitchell, former state bank examiner, and three members of the state corporation commission on charge of conspiracy.

Members of the corporation commission named are Chairman W. T. Lee, George P. Pell and Stanley Winborne.

The one bill of indictment contained three counts. The first charges "conspiracy in permitting insolvent banks to remain open."

The second count charges the four men with "permitting the Central Bank and Trust company of Asheville to remain open after they knew it to be insolvent."

The third count charges the four with "permitting the Biltmore-Oteen bank to remain open after they knew it to be insolvent."

Both banks closed last November.

JORDAN WITHDRAWS

Charlotte.—Jake F. Newell, Charlotte attorney and candidate for the Republican nomination to the United States senate in 1932, has announced that he had received a letter from William H. Jordan, of Efland, announcing the letter's retirement from the race.

Jordan, operator of several small newspapers in the state, said he would support the Charlotte candidate.

CATAWBA SOCCER TEAM DEFEATS GUILFORD 1-0

A last quarter goal by Winters, Catawba center, won a hard fought soccer game from the newly-formed Guilford team on the Guilford field Wednesday the count ending 1-0.

Catawba started out with a distinct edge, but the Quakers fought back in the second and third quarters, to keep the ball see-sawing from one end of the field to the other.

The outstanding Guilford player Nelson, goal tender, who played a particularly strong defensive game.

TOWN MAY OPERATE PHONES

Fayetteville.—What is believed to be the first movement in North Carolina to establish a municipal telephone system is under way in this city. Sponsored by Alderman Marshall Atkinson, the proposition has been turned over the city's public works commission, which is now studying the question. The telephone service here is now furnished by the Carolina Telephone and Telegraph company. This company's franchise will expire next July and has not yet been renewed, though a new franchise is now under consideration.

CATAWBA PLAYS LINCOLN ELEVEN HERE SATURDAY

The Catawba Indians are working hard this week preparing for the last two games of the season. Lincoln Memorial university comes here Saturday from Tennessee, and from advance notices they are expecting a win. After a game this week comes the hardest game on the schedule, Lenoir-Rhyne at Hickory, Thanksgiving day. Catawba wants to win these last games, and finish the season with seven wins, one tie, and two losses.

Coach Charley Moran is giving more new plays this week, since the offense started clicking. The work of the backfield has improved in the last two games and the "Bears" will be given ample opportunity to stop a fast offense in the Turkey day game.

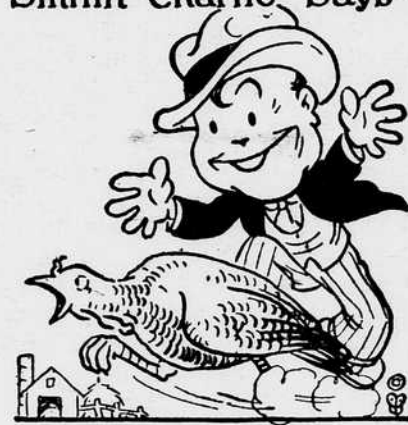

Joe Schlenger, quarterback, will not be able to play in the Lenoir-Rhyne game because he failed to enter school early enough to be eligible for conference football. Witmer will no doubt get the call to bark the signals in that game.

Practice is scheduled every afternoon this week, and next week there will be sessions the next three days.

Will Make Plans For Extension Work

Instead of the usual agricultural extension conference which is held each winter at State College, a series of nine sectional conferences will be held in December and January to which prominent farmers and educators will be invited.

"This new plan of extension meeting will seek to develop programs of agricultural advancement by sections and will aid the college workers in determining the needs of each section and work to that end," says Dean I. O. Schaub in announcing the new type of conference. "Each county home and farm agent will attend the conference for his community and will invite at least two good farmers and two leading farm women from each county to participate in the discussions. We shall have a representative present from each of the departments in the school of agriculture at State College and especially will we discuss the outlook for 1932. After that, committees will be organized to pass upon recommendations for the coming year. These committee reports will be fully discussed before adoption."
