All the bouts, with the exception of one white one, will be fought by colored fighters. These promise to furnish the fans with plenty of thrills as all fighters are in good shape.

HAZEL KLUTTZ

Hazel Kluttz, 21 year old son, of Mr. and Mrs. Joe Kluttz, of Steele township, died Saturday night, as result of an injury received when a rock fell on him Saturday afternoon.

Young Kluttz was at work on his father's farm removing rocks from the field. He had excavated around an extremely large one and was standing in the excavation when the rock toppled over on him. He was badly crushed and died several hours later.

NURSES GO ON HOUR BASIS

At a recent meeting of the graduate nurses it was decided to establish an hourly nursing service. It is believed that the public can be served efficiently and economically with a service of this kind.

Many times the services of a professional nurse are not required for more than a few hours, and in such cases the hourly basis will be very helpful. The new service is in no way to take the place of the regular 12 or 24 hour service, which is the regular professional nursing service.

ARRANGE BONDS

W. C. Bradshaw, charged with the slaying of Elmer Poole, whose case was made bailable at a hearing in the county court Thursday morning, arranged bond and was released from the county jail, where he had been held since Sunday. Welborn and Blakely held as accessories after the fact were placed under bonds of \$2,500 and \$1,000. Friends arranged their bonds and the young men returned to their homes in High Point.

BABY PLANE TAKEN FOR FLIGHT

A large crowd of admirers saw B. W. Thompson of China Grove make a solo flight in the small monoplane Sunday afternoon at the local airport.

The ship performed in a graceful style; however, the high winds made landings somewhat difficult owing to the light weight of the ship.

Thompson made the plane from raw materials. It is powered by a Heath B-4 motor of 35 horsepower.

UNUSUAL TRIP

W. A. Jones of this city had a most unusual experience the other night. His Chevrolet coach had been parked in the rear lot of a house in the 300 block on East Innes street and in some manner it headed over the 5-foot concrete wall, took a nose dive and stood straight up. The wheels and fenders were almost even with the northbound track of the Southern railway. After his most unusual ride Jones climbed out unhurt.
