As it is now when the windows are closed there is no place for packages too large to be pushed through the letter slits. These suggestions are passed on to Postmaster Peacock and it is hoped will be investigated as to the possibility of their installation.

The Salisbury Chamber of Commerce has accepted the suggestion and request of the mayor and city council to list vacant lots in and near the city that may be tendered to the unemployed to be used as garden plats. Also to act as a clearing house to contact those wanting to plant such gardens and to procure for them the seed.

Although the matter was acted upon by the city council at its meeting Friday and due publicity given, at this writing not a single owner of a lot has telephoned in offering the same for use not has an application been made by an unemployed person to be furnished with such a lot and the seeds with which to plant it.

The suggestion made at the meeting of the Board of Directors of the Chamber of Commerce last week that Main street be marked into lanes to epedite traffic and insure further safety will likely have consideration at the meeting of the mayor and city council soon, Mayor Hedrick having written the executive secretary of the chamber of commerce that the council will be very glad to consider and co-poerate in the matter.
