

# Uzzell Enters Second Primary With Bean

**PRIMARY WILL BE HELD THE FIRST SAT. IN JULY**

**Miller Will Not Enter The Second Primary; Pledges His Support To Kridler.**

A second Democratic primary for Rowan county is definitely assured as George Uzzell has filed a written notice with E. C. Gregory, chairman of the county election board, that he will enter a second primary with J. W. Bean, of Spencer, for the state legislature.

Cal L. Miller entitled to a second primary with J. H. Kridler and Mrs. T. Edgar Johnson, eligible for a second race with J. F. McKnight, have filed notice that they will not enter a second primary. In this case the nomination goes to the high man.

In asking for a second primary, Mr. Uzzell call the attention of the voters to the fact that the county will not be subjected to any additional expense as a second primary is made necessary on account of the request of Cameron Morrison.

**RUSSIA BUILDS HUGE CRUISER**

London—A new 8,000-ton cruiser has been completed and launched by Soviet Russia. The Krasny-Bessarabia is the name of this cruiser constructed in the Marty shipyards of Nicolaieff.

It is the third of a series. The first was the Tschevonia Ukraina, the second the Krasny Caucase. The fourth and last cruiser of this series is now under construction.

According to report from Turkey, Soviet Russia is expected to offer the fourth cruiser upon its completion to Turkey in exchange for Turkish produce and commodities.

**Sweden Installs Anti-Aircraft Guns**

Karlsborg, Sweden—A battery of hyper-modern anti-aircraft guns, made at Bofors in Sweden, has just been added to the armament of the Karlsborg's fortress in central Sweden.

The guns, which are the result of more than 10 years of experimentation, consist of 2,000 parts and are capable of throwing projectiles nearly 32,800 feet in the air.

**Too Much ACID**

MANY people, two hours after eating, suffer indigestion as they call it. It is usually excess acid. Correct it with an alkali. The best way, the quick, harmless and efficient way, is Phillips' Milk of Magnesia. It has remained for 50 years the standard with physicians. One spoonful in water neutralizes many times its volume in stomach acids, and at once. The symptoms disappear in five minutes.

You will never use crude methods when you know this better method. And you will never suffer from excess acid when you prove out this easy relief.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. 25c and 50c a bottle—any drug store.

The ideal dentifrice for clean teeth and healthy gums is Phillips' Dental Magnesia tooth-paste.

## B. L. AUSTIN MAKES TABLE COMPOSED OF 17,051 PARTS

B. L. Austin, who operates an auto and woodworking shop on North Main street, has on display in his establishment a table which he made composed of 17,051 pieces of wood. More than 40 varieties of foreign and domestic woods are represented in the table, which is a masterpiece of work-

manship and design. Mr. Austin spent 900 hours in the construction of the table and all work was done by him with the simplest of homemade tools.

The table is rectangular and of standard dining room size. Arrangement of the woods depict a star in the center with light radiating from it.

All woods are in their natural colors and no dye or paint was used. The table is valued at \$1500 and since its completion more than 5,000 people have been in to see it.
