

CHAMBER OF COMMERCE COLUMN

By R. E. L. NIEL

A special committee of the United States Chamber of Commerce has recently made a report on local chambers of commerce treating mainly with the fundamentals of the latter.

NATURE AND PURPOSE.—The Chamber of Commerce is an organization of business men and others who share their general point of view, set up as a non-profit making institution, for the purpose of developing and protecting the commercial, financial, industrial and civic interests of a community.

LEADERSHIP.—Chambers of commerce are useful and necessary parts of our civic and commercial life, and have been an important factor in the development of American cities.

CENTRALIZATION OF ACTIVITIES.—The chamber of commerce should be a strong, central community organization, performing as far as possible by means of its own departments, divisions or committees, all those public or semi-public functions that have a community-wide aspect.

FINANCIAL SUPPORT.—It should be recognized as a principle of business that chambers of commerce are an essential part of the commercial and civic life of our cities.

Expect Salary Cut For State Teachers

ADDITIONAL EXPENSE SLASH IS MANDATORY

Council Of State And Advisory Budget Committee Will Discuss Matter At An Early Date.

Additional salary reductions ranging from 12 1-2 to 20 per cent for North Carolina school teachers and an average of 20 per cent for state employes was proposed at a joint meeting of the Council of State and Advisory Budget Commission.

A memorandum from the Budget Bureau, addressed to department heads, pointed out first quarter allotments will be on a basis of approximately 60 per cent of appropriations by the 1931 legislature.

There has been no reduction in school teachers' salaries, which consume approximately \$13,000,000 of the \$15,850,000 six-months school fund, since the 10 per cent reduction authorized by the 1931 legislature, and under the 1931 law the Budget Bureau is forbidden to further reduce them.

-PATTERSON ITEMS-

Patterson-Fleming club held its regular meeting Friday afternoon at the club room. There being no demonstration an interesting program was given by Miss Evelyn Patterson.

The Patterson Degree Team of the Grange, under the supervision of Mrs. R. L. Patterson, is progressing. They are planning to confer the third degree at Willow Lunch July 22nd.

Miss Mamie Whisnart gave a canning demonstration at the club room Tuesday afternoon. A nice collection of fruits and vegetables were canned.

We are sorry to learn that Herman Shulenberg, who has been very sick with septic sore throat, has had a relapse.

The community meeting was held last Saturday night. An interesting program was given.

York firm of industrial consultants. That the proposition was not such as could receive favorable response at this time in Salisbury was not entirely unexpected but that so many of our business men responded to the telephone call from the executive secretary of the Chamber of Commerce and gave careful consideration of the matter, is a piece of encouragement to that official and a strong incentive to continue every effort for Salisbury's up-building and betterment in every way.

Jean Harlow Heads Cast of 'Red Headed Woman'

"Red Headed Woman," Katharine Brush's widely-read novel of a stenographer who capitalized on her sex appeal, comes to the screen at last with Jean Harlow, her famous platinum-blond hair changed to a flaming red, in the title role. The picture will open Monday at the Capitol Theatre.

Practically every red-haired actress in Hollywood was given tests for this highly-coveted part before decision was reached by Metro-Goldwyn-Mayer officials to assign the role to Miss Harlow, providing she would change the color of her tresses. Report has it that the alteration has given the noted heroine of "Hell's Angels" an entirely new personality, as well as giving her appearance a totally different aspect.

Drys Want To Remind All Of 'Promises' Wets Made

For pasting "in your scrapbook or in the kitchen door" fourteen promises, which the W. C. T. U. declared had been made for beer by the advocates of modification of the Volstead act, were listed by the dry association.

- The promises: 1. A billion dollars a year in taxes. 2. Immediate prosperity. 3. No more agricultural problems. 4. A million men returning to work at once. 5. Disappearance of the gangster. 6. No more crime. 7. No more speakeasies. 8. No more drunkenness. 9. No more depression. 10. No more drinking. 11. No more trouble, anywhere, anytime. 12. Perfect law enforcement. 13. Rehabilitation of youth. 14. Millennium.
