We Are Specialists

Specialization—doing one thing only and doing it well—is the cause of the growing preference for Summerson Funeral Service.

The six members of the Summerson organization devote their entire time to directing funerals. This is the family's guarantee of satisfaction in every detail.

AN UNSOLVED RIDDLE

I profoundly believe in farm group organization and activities. The individual farmer standing alone is easily the prey of organized big business...

The success of a farm co-operative is based on the co-operative spirit and the co-operative virtues namely, (1) sagacity, (2) faith in one's fellows, (3) willing subordination to self-chosen authority...

Paul's ideal. Success depends upon all of these virtues. Anything less than all of them invites failure. With them all, success is certain.

The plan of organization of the proposed tobacco co-operatives in North Carolina is distinctly an advance upon the organization, principles, and details of the Tri-State Tobacco Co-operative.

A SIGHT FOR SORE EYES Tom—I've sure made a hit with that peach over there, she's been looking over at me for some time.

Jack—Don't fool yourself. She just told me that the oculist had advised her to relieve her eyes by gazing at something green.

Lady Took Cardui And Got Rid of Pain In Her Side

"Last summer, my health was bad, so I began taking Cardui," writes Mrs. H. E. Slaughter, of Norman, Okla. "My mother had given me Cardui in girlhood, so naturally I turned to it when I felt I needed it. I felt run-down and a general weakness. I had bad, dizzy headaches when everything would seem to dance before my eyes. My right side pained me so much, but since taking Cardui the pain has left me. I have taken several bottles of Cardui and have improved a great deal."

Cardui is sold at drug stores here.

FRENZIED FINANCE

Blinks—It's some job to keep up the payments on the things we buy now.

Jinks—Yeh! And only a wizard can do it when the family refuses to keep down expenses.
