A Laxative that costs only I ¢ or less a dose

NEXT TIME you need medicine to act on the bowels, try Thedford's Black-Draught. It brings quick relief and is priced within reach of all. Black-Draught is one of the least expensive laxatives that you can find. A 25-cent package contains 25 or more doses. Black-Draught is made of approved laxative plants, firmly ground so you take the medicine into your system just as naturally as you get nourishment from the food you eat.

Refreshing relief from constipation troubles for only a cent or less a dose-that's why thousands of men and women prefer Thedford's Black-Draught.
