

Annual Rowan County Fair Now Being Held

Bad Weather Holds Down Attendance

Much Activity Planned For Today And Saturday
Automobile Races Are Scheduled For Tomorrow

Inclement weather has interfered with the attendance at the fourth annual Rowan county fair, but plans were all set for a full day today and tomorrow with a record-breaking attendance expected. The midway and free attractions are said to be among the best to visit this section this year.

A great deal of activity has marked the week at the fair grounds. Farm products and live stock have been placed from Rowan, Cabarrus, Iredell and Davidson counties, the exhibits making a very creditable showing.

Walter McCanness, owner, and Paul Whitlock, secretary, have arranged one of the best fairs to be seen in this entire section this year. A feature that is dear to the heart of the fair owner is the races on the program each day, both trotting and pacing, with the final day, Saturday, seeing automobile races.

Local Highs Play Monroe Here Friday

Salisbury's high school football eleven will play Monroe high here Friday afternoon at 3:45 on the high school athletic field.

Monroe was not on the schedule last year.

Last Friday Salisbury walloped Thomasville 25 to 0, showing much power and good football.

Coach Kirkland, because of the inclement weather this week, has been working his men indoors in preparation for the Friday tussle.

CITY and COUNTY NEWS BRIEFS

ROWAN YOUTH SHOTS SELF

Harold Link, 19, son of J. P. Link of Mooresville, R. F. D. No. 1, shot himself in the cheek while fooling with a pistol.

He was at his father's home in the Arthur Deal neighborhood of Rowan county, sitting on the bed with his sweetheart, Miss Irene Gregory, 16. He placed a pistol to his head and called to his girl to "watch me pull the trigger." He failed to do so and was twitted for it. The act was repeated and he did pull the trigger. The ball entered his cheek and lodged in his head.

He was brought to the local hospital, where the bullet was removed. He is back again at his father's home and is said to be getting along all right and will recover provided complications do not develop.

INCREASE POSTAL RATES

Postal rates will be increased October 1.

The new rates are: first and second zones, 8 cents for the first pound or fraction of a pound and 11 cents for each additional pound or fraction; third zone, 9 and 2 cents, respectively; fourth zone, 10 and 3.5 cents; fifth zone, 11 and 5-3 cents; sixth zone, 12 and 7 cents; seventh zone, 14 and 9 cents; eighth zone, 15 and 11 cents.

The postage on parcels mailed on rural routes for local delivery will be 2 cents less than at these rates and 3 cents less when for other than local delivery.

The new regulations permit mailing matter up to 70 pounds in weight and as large as 100 inches in length and girth combined.

B. & L. Groups May Extend Maturities

Building and Loan associations in North Carolina are now considering and may soon adopt a plan of extending maturities of building and loan stock over a greater number of years, thus permitting the man with a small income to get into the class of home owners at a smaller cost. O. K. LaRoque, director of the Building and Loan division of the state insurance department, states:

Heretofore, the associations were required to have the money on hand for investors who are not borrowers, then their stock matured in some less than seven years, but the Home Loan bank, soon to be established for this district in Winston-Salem, will provide them with these needed funds and permit them to carry for longer periods other share holders who are paying for homes, he said. Illustrating, he said that 25 shares of building and loan stock require payment of \$25 a month, or if a loan for that amount is taken out by the share purchaser, the interest of \$12.50 brings the total payment to \$37.50 a month, in order to mature it in slightly less than seven years.

Plan Longer Maturities
On the other hand, the share purchaser who borrows to pay for or build a home, could pay \$25 a month

club to fill the unexpired term of R. W. Walker, 111, who recently resigned.
