THAT like their sisters in the Far East, the native women of the British West Indies are adept at balancing awkward and bulking packages on their heads? In fact they carry most of their burdens in this way and walk through the streets with decided grace while balancing parcels on their heads. The photograph shows a young Barbados native woman returning from market with a load on her mind.

WOMEN: watch your BOWELS

What should women do to keep their bowels moving freely? A doctor should know the answer. That is why pure Syrup Pepsin is so good for women. It just suits their delicate organism. It is the prescription of an old family doctor who has treated thousands of women patients, and who made a special study of bowel troubles. It is fine for children, too. They love its taste. Let them have it every time their tongues are coated or their skin is sallow. Dr. Caldwell's Syrup Pepsin is made from fresh laxative herbs, pure pepsin and other harmless ingredients.

When you're a sick headache, can't eat, are bilious or sluggish; and at the times when you are most apt to be constipated, take a little of this famous prescription (all drug stores keep it ready in big bottles), and you'll know why Dr. Caldwell's Syrup Pepsin is the favorite laxative of over a million women!

Hectic Days-Sleepless Nights

TOO MUCH work, too much mental strain, too much worry... then "NERVES". How they torture you, tire you, keep you awake nights!

"NERVES" make you irritable, restless; give you Headache, Indigestion... "NERVES" make you look and feel old... weaken resistance and pave the way for serious nervous or organic trouble. J. M. Foster, a druggist, suffered tortures from Over-wrought Nerves. He had dozens of so called "Nerve Remedies" in his store. One by one he tried them without relief until... But let Mr. Foster tell his experience in his own words.

"I think Dr. Miles' Nervine is the best nerve medicine made, and that a better one cannot be made. Dr. Miles' Nervine was the only medicine on the shelf or in the prescription case that put me on my feet." J. M. Foster, Druggist Marysville, Ohio
