Hotel Lexington

Miss Charlotte E. Field, chef and food manager, Hotel Lexington

has a woman chef. Moreover, she is an American chef, holding her own and building a fine reputation among the army of foreign male chefs employed in the other hotels and clubs.

She is Miss Charlotte E. Field, chef and food manager of the Hotel Lexington, one of the hotels under Ralph Hitz direction. It is affiliated with the famed Book-Cadillac in Detroit, the Van Cleve in Dayton and the New Yorker in New York.

The experiment of having an American Woman cook for a thousand American men and women each day was undertaken two years ago. Not only is a woman in charge of the kitchens, but her entire staff of cooks is composed of women. The two-year experiment has proved highly successful according to Manager Charles E

"Women seem to have a large amount of natural ability in the kitchen," he said. "There seemed to be no reason why they should be out of place day are prepared. Miss Field has handling food and an understanding of the value of variety. Her skill as a chef till a nice brown.

Nagging Pains are WARNING SIGNALS

TEMPORARY pain relief remedies may save you much suffering at the moment, but putting a mask over a warning signal does not clear up the condition it was telling you to avoid.

When periodic pains, due to a weak, run-down condition, distress you, treatment for the cause of the trouble should be started without delay.

Take Cardui to build up against the nagging symptoms of ordinary womanly ailments. It has been in use for over 50 years. So many women praise CARDUI, it must be good to have the widespread use that it has today. Sold at drug stores. May 12-June 9
