 The school children in our section started back to school at Richfield Monday morning. Some few were not ready as they had some work to do on the farm before starting to school.

 P. H. Wagoner and family spent a short while in Boone and Blowing Rock Sunday. Some mountainous section I tell you. Anyone that likes to ride on a winding road go from Boone towards Hickory. The trip of two hundred and fifty two miles were made in all on just a little over half a tank of gasoline. This speaks well for the 1934 Chevrolet car, and a very easy ride it was, too.
 Mrs. R. B. Glover and family have moved in the house known as the Brady house near St. Paul's Holiness church. We wish them all success and happiness in their new home.
 Mr. Reid Arey, of Detroit, Mich., visited his old home place the other day, accompanied by his brother-in-law from Albemarle, Mr. Jamie Caloway.
 Mr. and Mrs. Jammie Williams, of China Grove are moving on his father-in-law's place, the Watson farm. Quite a lot of moving is taking place in our section this fall. Wish them all happiness and success.
