

# Victory Over Bears Gives Catawba Conference Title

## Indians Down Lenoir-Rhyne In Thanksgiving Classic

Catawba's Indians pushed across one touchdown in the opening quarter of the game to defeat the Lenoir-Rhyne college Mountain Bears by the score of 7-0 in the renewal of the Thanksgiving classic between these teams which took place at Hickory on Thursday afternoon, Nov. 28. A small crowd of fans braved the rain to watch the teams battle on the slick and muddy field.

Catawba's lone score occurred soon after the opening kickoff. Lenoir-Rhyne received the kickoff and Jess Bumgardner dropped back and punted to the Catawba 35-yard line. The Indians promptly staged a drive to the goal line with a 25-yard dash by Charley Clark, putting the ball on the Lenoir-Rhyne five-yard stripe. "Red" Meehan plunged the line twice to cross the goal for the score. Co-Captain Harold Vaniewsky then placekicked the extra point for his final appearance in the role of point converter for the Indians.

A penalty for holding in the line prevented Catawba from scoring again in the same period. Charley Clark completed a 35-yard pass to Hayden Kesler, who stepped across the goal line for what seemed to be a score, but the play was called back and Catawba penalized 15 yards for a misdemeanor in the line.

The Mountain Bears made their big threats in the third quarter as they kept the Indians on the defensive throughout this period. On one occasion the Bears had a first down on the 10-yard line, but the ball went over to the Indians on the three-yard line.

The muddy field and the slick ball caused numerous fumbles and bad passes from the centers, while the punters also experienced difficulty in controlling the ball. Bumgardner, the punting end for the Bears, led Clark in the punting duel between the two as Bumgardner averaged approximately 35 yards on his punts to Clarks average of 29. The ball-carriers had difficulty in remaining on their feet even when in the open, so spectacular runs were notably absent in the game.

Charley Clark and Meehan led the ground gaining for the Indians, while Mauney was practically the entire threat for the Bears. Lenoir-Rhyne used a short passing attack most of the passes going from Mauney to Bumgardner, to advance the ball to deep Catawba territory in the third quarter. Three seniors, Vaniewsky, Tubby Garland, and Juney Williams led the line play for the Indians.

Catawba made 10 first downs to five for the Bears and the Indians received penalties amounting to only 25 yards while the Bears lost a total of 70 yards through penalties. This was the final game of the season for both Catawba and Lenoir-Rhyne.

### Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Gora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right."

## CARDUI

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

## Catawba Quint To Battle High Point

### Indians Open Season On December 16; Eighteen Games Now Scheduled

The Catawba Indians are making plans for the coming basketball campaign which will get under way Dec. 16 when the High Point Y cagers invade the Indians stronghold. Only two games will be played prior to the Christmas holidays and both tilts are scheduled for the home floor.

The North State conference slate will open on January 11 with Atlantic Christian college furnishing the opposition. The Indians schedule contains a total of 18 games, and 13 of them are conference engagements. Following the close of the regular playing season on February 25, the Redskins will participate in the North State tournament to be held in High Point during the latter part of February.

Schedule for the coming year is as follows:  
 Six lettermen will return from last year's squad which finished second in the conference race.  
 Dec. 16—High Point Y. M. C.

Head Coach GARLAND A. KIRKLAND, who has completed his second highly successful football season.

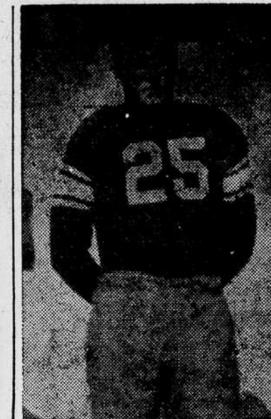

### PROMINENT CATAWBA SENIOR GRIDMEN

HAROLD VANIEWSKY  
Co-captain and center

EDWIN GARLAND  
Co-captain and end

CHARLES WILLIAMS  
Varsity guard

As the grid warfare for 1935 came to a close on Thanksgiving Day, it is only fitting that we of the Staff show our appreciation of the efforts put forth by the football men of the senior class. These boys have plugged four years for their Alma Mater, and last Thursday they turned their uniforms in for the last time of their collegiate career.

Co-captain Vaniewsky has been varsity center for four years. He has been awarded a berth on the All-Conference team three times, which is a report card anyone could be proud to show his "pop". While on the offensive, Van has opened many a hole for a back to run through; on the defensive, he has stopped many a runner. His shoes will be hard to fill next year; his leadership will be missed. "I enjoyed playing on the team four years," says Van, "and I am sorry this is my last year. It has been fine working with our fellows,

and I hate to leave them. Turning in my suit on Thursday was one of the hardest things I have ever done. I hope the team will have a successful season next year, and I am coming back to see them beat Elon."

Co-captain Garland, the bruiser from Utica, also labored on our team for four years. Tubby has been the spark-plug of our line, both offensively and defensively. He received many passes that meant touchdowns and stopped many a safety-man in his tracks when the latter tried to return a punt. Tubby made an All-Conference berth and also was placed on the Little All-American Team of 1935. This is the highest honor which has been gained by any athlete of Catawba. My four years of football here," says Tubby, "have meant a lot to me. When I handed in my suit, it was like giving up a treasure that is dear to me; the thought of ever play-

ing again for Catawba is not a pleasant one. I wish I had four more years to play for Catawba and with the fellows of our team."

June Williams will also leave the ranks he has labored with four years. He has played in every game during his collegiate career, and usually starred in every one. "Junie" was a super-linesman who fought every minute he played. Many spectators usually follow the runs of the fleeing backs with interest, but they fail to observe the holes which were opened in the line to give the backs their start; men like "Junie" have opened such holes, and have received little credit by those who do not understand the game thoroughly. When the extra push was needed, "Charlie" supplied it. Incidentally, the name of Williams will remain on the line-up for three more years as "Little Tommie," "Junie's" brother, will most likely be a varsity linesman. "It has

## Elon Must Forfeit Conference Games

### Mine Labor Move

WASHINGTON . . . The eyes of labor are upon John L. Lewis, president of the United Mine Workers of America, who resigned suddenly as a vice-president of the American Federation of Labor. Lewis will keep his union within the federation, it is said, but will continue fight for industrial form of union.

been four short, happy years here, and I am sorry that I have not four more. I sure hate to think of not playing for Catawba any more."

Graduation will also take George Machen, Jack Leyden, and Roy Bickett from the team. These boys, though they were not varsity performed their duty admirably when they were playing. When a substitution was needed, they filled the vacancy perfectly.

After having his face scrubbed and being told not to get his face dirty again that day, the small boy said: "Mother, how does my face get so dirty when it is so high off the ground?"

### Marion Decides Hauselt Is Ineligible

Elon used an ineligible player in the North State conference games played by the conference leaders this year, according to a ruling issued by Dr. S. J. Marion of Lenoir-Rhyne college commissioner of the conference. This news was received in a telegram to Coach Gordon Kirkland of Catawba last Wednesday morning, November 27, after Dr. Marion had gone to Elon to investigate charges of an ineligible Elon player.

James Hauselt, a tackle, was the player pronounced ineligible upon the grounds that he dropped out of Elon at Christmas of last year, and then returned to Elon this season to play football before he had remained the necessary six calendar months in the school before again playing on a varsity team.

Dr. Marion went to Elon to investigate the ineligibility charges after Coach Kirkland had gone to Hickory on Monday night last to lay evidence before Dr. Marion that had been gathered in connection with the Elon player. Dr. Marion would not give an immediate decision then, stating that he wished to weigh the evidence thoroughly, but on Wednesday morning he sent a telegram to Coach Kirkland that read as follows: "My ruling is that Elon played one ineligible man. Full report follows."
