REPORTS OF THE PRESS ASSOCIATION.

RICHMOND, March 28.—The following was received to-day:

HEAD QUARTERS, March 28th.

Hon. J. C. Breckinridge, Sec'y. War:

Gen. Gordon informs me that in his report of the action at Hare's Hill, on the 25th, he omitted to mention Lt. Col. H. P. Jones, commanding artillery on that position of the lines, was at the front superintending in person the operations of the artillery; and that a select body of officers and men under command of Lt. Col. Stripling charged the enemy's breastworks. The sharpshooters of his corps immediately turned upon the enemy his captured guns.

## I AM NOT OLD.

I am not old, though years have cast
Their shadows in my way;
I am not old, though years have passed
On rapid wings away;
For in my heart a fountain flows,
And round it pleasant thoughts repose;
And sympathies and feelings high
Spring like the stars on evening's sky.

I am not old; time may have set
"A signet on my brow,"
And some faint furrows there have met,
Which care may deepen now;
Yet love, fond love, a chaplet weaves,
Of fresh young buds and verdant leaves,
And still in fancy I can twine
Thoughts sweet as flowers that once were mine.

MORGANTON, N. C., March 27, 1865.

*J. J. Bruner, Esq.*—Dear Sir: As your very popular paper has a wide circulation in the county of Burke, allow me to say through its columns, that there will be a meeting of the citizens in Morganton on Monday, 3rd of April, for the purpose of complying with the urgent appeal of our Government Officers.

This meeting has been called at the solicitation of the people themselves, and I have but little doubt I shall be able to give you a glorious account as to its results. There are many noble and generous spirits in Burke, who are anxious to emulate the example of our Governor. You shall hear from me again next week.

Very truly yours,

E. C. LINDSEY,
2td Com'y. Agent.

## SCHEDULE OF PRICES FOR NORTH CAROLINA.

THE Commissioners of Appraisement for the State of North Carolina, present their schedule of Prices to govern Purchasing Agents for the next sixty days, with rates considerably advanced in consequence of the alterations by order of the government in the prices paid above those of the late schedule. They earnestly hope that there now being no excuse for holding back the products so necessary to the supply of the army, that farmers and others will come forward with alacrity and offer all that they can possibly from their own consumption to the aid of that army, which is now at last to be recognized as our only savior from the unrestrained and grasping despotism of our barbarious enemy:

The Commissioners respectfully suggest that if, it be found practical, the producer should be allowed to retain a fourth part of their surplus, to be sold at market rates, to pay for their necessary plantation supplies, which they have to purchase at high market prices. They earnestly call upon the farmers to bring forward their corn now so necessary to the support of the army in their immediate front, and which alone will prevent the loss to the enemy, of all their crops, stock, negroes, &c. The commissioners would also recommend that the impressment should be universal and uniform, leaving out no one.

For the information of all persons concerned, we publish the following instructions with the hope that they will be strictly obeyed.

"No officer, or agent shall impress the necessary supplies which any person may have for the consumption of himself, his family, employees, slaves, or to carry on his ordinary mechanical, manufacturing agricultural implements."

The next meeting of the Board will be held in the Senate Chamber, in the City of Raleigh, on Friday, the 30th day of September next, unless sooner changed. Impressing agents must furnish good and satisfactory reasons for disapprovals on appeals, or the award of local appraisers will be approved. All communications should be addressed to the Secretary of the Board, Raleigh, N. C.

## TO THE PEOPLE OF ROWAN COUNTY.

### Office Chief Commissary of Subsistence,

SALISBURY, March 13, 1865.

THE pressing demands upon me for subsistence have exhausted my present supplies at this point, and I must call upon you to assist me in providing for the gallant troops now in our midst, who are on their way to the front.

I beg that every family will send me at once as much flour, meal, bacon, salt pork and molasses, as can be spared, for which I will pay them, on delivery, market rates, or return the provisions to them in a short time, as they may prefer.

Let none be deterred from sending because their contributions will be small. The smallest contributions will help and will be gratefully received. I trust the people of Rowan will respond with their accustomed liberality and patriotism to this call, and send supplies to me freely and promptly. From the citizens of SALISBURY, I hope to receive much assistance to-day.
