Dedication of the Odell Cotton

Factory. The name of Odell in this State is beng enterprise. J. A. & J. M. Odell have long been identified with cotton manufacturing and their energy and enterprise has been of incalculable benefit to the State in developing its resources. Raised in Randolph county they have worked up from the bottom and stand to-day conspicuous representatives of the industrial progress of the State. On Sunday their second cotton factory was dedicated at Concord. The services were novel and impressive. Quite two mousand proper assembled tables, there must still be paid out charge into his head just behind the to witness the ceremonies. The dedication sermon was preached by Dr. Craven, of Trinity College, himself born who has been having a few weeks' and reared in Randolph County; and wrestle with the measles, is at his post whose struggles and career is an im-

> sider her ways and be wise. While more Sun. having no guide, overseer or ruler, provideth her meat in the summer and gathereth her food in the harvest."-Proverbs, 6th chap., 6-7-8 vs.

The sermon was strong, practical and impressive, occupying an hour and fifeen minutes. At its conclusion a dedcation hymn was sung by Mrs. Nicholson of Greensboro. Capt. J. M. Odell, of Concord; then presented the factory to Dr. Craven for dedication to God. A fervent benediction was invoked, the doxology was sung, and to-day the spindles are going. - Greensboro Patriot.

Diphtheria-Look to your Cellars.

Many cases of diphtheria are known to arise from the undue dampness of cellars. The importance of a careful examination of his premises should not be overlooked by any really practical considerate man. A writer in the Boston Journal of Chemistry thus speaks of this matter: "Diphtheria, typhoid -Winston Lodge, I. O. O. The Pension Wastage.

Little can be said in defence the pension appropriation bill finally passed by the House last week. calling as it does for nearly a hundred million dollars, principally on account of the arrears of pensions coming synonymous with manufactur- act. This act, it was stated by its friends when it first became a law, would require not more than about forty millions. This was the amount of the gratuity to be bestowed on persons obtaining pensions for the time that had clapsed from the date at which they became entitled to a pension down to their actual enrollment on the books of the pension bureau. According, however, to an estimate of the chairman of the House committee on invalid pensions, based on ordinary mortality on account of pensions the enormous sum of \$1,300,000,000! The arrears act becomes in view of this total a away large sums of money that will blunder if not a crime of the very not bear discussion the Republican first magnitude.
