a Report of the Electrocution. The grand jury in New York city has found an indictment against Charles O'Conor Hennessy, city editor of the Daily News, for violating section 507 of the Code of Criminal Procedure by publishing a detailed account of the killing of the four murderers-Smiler, Slocum, Wood, and Jugiro-by electricity in Sing a misdemeanor, and the penalty on connot exceeding \$500, or both. The in-It was handed to Recorder Smyth, in

afternoon. Mr. Hennessy was arrested in the News office by Detective Sergeant Von Gerichten, and was taken to the district atorney's office. Assemblyman Meyer J. Stein appeared for him as counsel. Reorder Smyth fixed the bail at \$500, which was furnished by William H. O'Donnell, one of the editors of the News. It is probable that the case will come up for hearing next Monday.

District Attorney Nicoll would bring an indictment against some newspaper and make it a test case, to have the courts decide on the question involved in the violation of the law by almost every newspaper in New York city and State. Whatever decision is reached in the lower courts the case will undoubtedly be carried to the court of appeals, and probably to the supreme court of the United States, to test the constitutionality of the

Control the Indians.

Unknown to the outside world, great leader of the Yaqui Indians, King had reased.

"Such is by no means the case," said Senor Marco. "Thousands of them are strongly intrenched in the impassable mountains of northwestern Mexico, and the troops which are stationed at all the towns along the Yaqui River are powerless to reach them, or to protect the lives and property of the citizens.

"Ir bands of 50 or more the Yaquis daily make unexpected descents upon the helpless people of the plain. Fierce fore the latter can accomplish anything the savages escape to their mountain hiding places with renewed supplies of food and ammunition, generally carrying with them, too, a number of helpless women, whose fate is never known. "It being impossible to reach them, as

they are so fortified as to form an entirely distinct country, no one knows of the li'e they lead, nor is the name of

THE HILL FARM MINE.

The workmen who have been laboring almost incessantly for a year since the dreadful Hill Farm disaster have at last pushed themselves to the edge of the great dam of water that stands in the lower heading of the mine. The struggle has been a long and laborious one for the company and those who have had charge of the work of reclaiming the mine and possibly the dead bodies of the unfortunae miners who gave up their lives on

water that as yet fills the depth of the all pumped out. If the men perished in this part of the mine it is considered possible that at least some of their bones may be found. If they met their death in another part of the mine, where the little hope is to be entertained of securing at this late day any relic of them. It will doubtless consume a great deal of time to pump the water from the mine. as it reaches back from the heading a distance of 100 feet, and by the dip of the

HIGH GRADE PERTILIZERS

-FOR-

SPECIAL OFFER

We will Sel! You the Coming Season

OLD DOMINION

FARMERS' FRIEND FERTILIZER

Cheap and Useful Machines.

AT THE LOW PRICE OF \$2.35 PER BAG OF 200 LBS.

This is an offer that no Fertilizer dealer has the nerve to match for goods analyzing as high grade as

We also still sell our

> GRAIN FERTILIZER AT \$1.75.

These goods we have sold for three years and they have proved second to none, although many farmers pay from 75 cents \$1 per bag more for other brands. Now will you continue to do so? If so, why so? It is because you like some business house that you'll throw away your money in this manner? Or is it because you don't know our goods? If the latter its time you were acquainting yourselves with the grade of what we sell. We sell only FOR CASH, and will deliver it free on board the cars here for those wishing it shipped to any point on the Richmond & Danville or Roanoke & Southern Railways. Farmers clubs who make up and buy in car load lots will do well to correspond with cs.

SHOES AND HATS.

In these lines we never had the assortment we now have of GOOD RELIABLE GOODS,-GOODS we can warrant in every particular, and prices are what they ought to be.

25 PER CENT. DISCOUNT. Dry Goods and Notions.

> These lines we shall discontinue, and in order to close them out as early as possible we shall cut prices right and left. Country merchants will save money by seeing us on these lines.
