CHAMBER OF COMMERCE OFFICERS. The Chamber of Commerce of Winston-Salem held their annual meeting last week, and the various committees reported relative to improvements, free mail delivery, &c., to the satisfaction of the body. Officers were elected for the ensuing year as follows: President—John W. Hanes. 1st Vice President—Jas. A. Gray. 2d Vice President—R. W. Belo. Secretary and Treasurer—W. A. Blair. Directors—J. W. Fries, G. W. Hinshaw, J. L. Patterson, G. W. Maslin, C. Buford, W. W. Wood, S. E. Allen. SEVERE CUTTING SCRAPE.—News reached the city to-day that Ed. Longworth and Eli Thomas, two citizens of Broadway Township, this county, engaged in a personal encounter late Saturday afternoon in which the latter was cut seriously—perhaps fatally. The particulars, as we learn them, are that Longworth had secured a certificate to teach the public school at Eden, in said township, and this was contrary to the wishes of Mr. Thomas, who had a grudge against Longworth. Rash words were followed by a fight in which the cutting occurred.—Daily. Longworth submitted before a magistrate and was bound over to Court. Thomas' wound is not fatal. Walter Bridges, Athens, Tenn., writes: "For six years I had been afflicted with running sores and an enlargement of the bones in my leg. I tried everything I heard of without any permanent benefit until Botiche Blood Balm was recommended to me. After using six bottles the sores healed, and I am now in better health than I have ever been. I send this testimonial unsolicited, because I want others to be benefited."

THE JOHN ROBINSON SHOW. Presenting a New Factor in Tented Amusements. Solomon, the sagest and grandest of the Hebrew patriarchs, when he uttered that phrase, since become an axiom, that "there is nothing new under the sun," could he "revisit the glimpses of the moon," would find that while his axiom still finds verification, yet that old things have become new in the reproduction and rehabilitation of the scenes, episodes and incidents characterizing his long and memorable reign. In placing before the people, by the John Robinson show, the grand biblical spectacle of "Solomon, his Temple, and the Queen of Sheba," a realistic, living illustration of the most sacred and most impressive scenes, and events of biblical history is presented in vivid and entrancing form, and offers the most enjoyable and mind-nourishing afternoon and evening's entertainment ever projected or conceived. The glories, the grandeur and the greatness of Israel's wisest king are lavishly portrayed, and the most salient features and incidents of his noted regal administration find apt and accurate illustration. This gorgeous and resplendent spectacle is from the master mind of Mr. John Rettig, whose former biblical spectacular productions have made him famous, and who prides himself on this, the chef-d'œuvre of his art. It certainly is a masterpiece of policy in the management of the John Robinson show to thus so materially and acceptably augment their already stupendous exhibitional enterprise, which, as almost every body is aware, is characterized as exhibiting the biggest and best circus, the most interesting menagerie and the largest hippodrome on the continent. The combined exhibitions, of which it may be said that they are given without additional entrance fee, are to display here, Saturday, October 17.
