ZERMAN'S (ELEBRATED TOOTH WASH)

TERMAN'S CELEMINATED TOOTH WASHI THIS superior preparation daily gains favor with the pub-lie, for Cleansing, Preserving and beautifying the TEETH, and for curing screness, bleeding, or ulcoration of the GUMS, and imparting a healthy and fragrant order to the BREATH. A trial is only wanted to convince all of its superior virtues, for preserving the Teeth from decay; and if the Teeth have commenced to decay, it will arrest its progress, by the purification it renders them. Read the 4-lowing testimory, and at once progress hottle of this 4-

inving testimony, and at once procure a bottle of this d. -lightful preparation for the Teeth, Gums and Breath. The following certificate from Dr. Chilton, a chamist of world wide celebrity, who has submitted the article to a chemical analysis, is proof sufficient to convince any one of its superiority.

"I have examined a bottle of Zerman's Anti-secretie Tooth-wash, and find it to be a vegetable preparation of an innocout character, believe it will prove beneficial for the purpose it is recommended.

very general satisfaction . Frequent applications for a pre-paration in the form of rownes, of similar nature and propties have suggested the advantag its introduction in that form, especially when the bulk and weight of the *liquid Cetrate*, (as article so justly estempts both by physicians and in private families wherever it has been used.) would interfore with its being sent to great dis tances; it is destitute of bifterness, and by its pleasant as idity of taste and its efferveseing character, is rendered a very agreeable and refreshing drink, at the same time, that it is a good substitute for Epsom salts or other saline purgatives.
