BALTIMORE LOCK HOSPITAL, DOCTOR JOHNSON. THE founder of this celebrated Institution offers the most Certain, Speedy, and only effectual remedy for the most distressing and dangerous diseases of the Urinary and Genital Organs, such as Gonorrhoea, Stricture, Venereal Ulcers, Pains in the Back and Groin, Abscess of the Kidney, Palpitation of the Heart, Dropsy, Nervous Irritability, Discharge of the Semen, Stricture, &c., and all those serious and distressing Disorders arising from the Urinary and Genital Organs, which destroy both body and mind. Treatise on the Urinary and Genital Organs, and on the Venereal Disease, with the most brilliant hopes of anticipation, rendering marriage &c., impossible.

Young Men, especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps in an untold number of thousands of young men of the most exalted talents and brilliant talents, who, by the use of this medicine, have regained their health, and are now the pillars of the State, and the glory of their country, may call with confidence on the author of this medicine.

Married Men, or Young Men contemplating marriage, being aware of the danger of the Venereal Disease, should immediately consult Dr. J., and be restored to perfect health.

He who places himself under the care of Dr. Johnson may rely upon his skill as a physician, and confidently rely upon his cure.

Organic Weakness immediately cured, and the system restored to its former state of health.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgence. Young persons are apt to commit excesses, and to be the victims of the dreadful consequences that may ensue. Now, who would understand the subject will pretend to deny that the power of Procreation is lessened by those falling into improper habits than by the prudent use of the medicine, which restores the system to its former state of health.
