THIS EXTENSIVE AND WELL-KNOWN PUBlic Establishment has been purchased and was re-opened by the subscriber for the reception of guests on the 4th inst.

It is pleasantly and conveniently situated in the centre of business, and is directly opposite to, and WEST of the Ticket Offices of the Wilmington and Weldon and the Central Railroad Companies, where the cars stop on their arrival and departure, and where FAITHFUL SERVANTS WILL BE IN WAITING to take baggage, and give such other attentions as the traveller may require.

THE HOUSE has been remodelled, repaired, and thoroughly renovated from cellar to garret, and furnished throughout with new furniture, selected with special care, and arranged with an eye single to the comforts of the casual guest or permanent boarder.

THE TABLE

Will be richly furnished with the substantials, the dainties and delicacies of the seasons, foreign as well as domestic markets will be rendered tributary to the constant supply, which will be served up in the best style by orderly, obliging and well-trained servants.

THE BAR

Will be a storehouse of the best Wines and Liquors, and superintended by a gentleman of courtesy and integrity, thoroughly acquainted with his business—comprising the knowledge of what is due to the rights and comforts of the public, as well as to himself and his employer.

THE STABLES,

Which are among the best in the State, have been placed in the keeping of a skillful and careful manager, who will always have under his care the best and most experienced ostlers, and it will be among the chief cares of the proprietor to see that horses of his guests be well fed and thoroughly groomed.

This entire establishment has been purchased and fitted up at an enormous expense, and it will be the pleasure, as, of course, it will be the interest, of the subscriber to render the House in every respect equal to any in the country. He therefore trusts that a generous public will renew and continue the liberal patronage heretofore extended to this House while under the care of its former proprietress, Mrs. Borden, who gained for it a celebrity throughout the entire Union.

WILMINGTON BOOK BINDERY.

First door below the Cape Fear Bank, up Stairs.

THIS establishment, which is complete in every department requisite to accommodate the business of this place, and will hereafter be under the sole control of Mr. PHILIP HEINSBERGER, who is in all respects a finished workman, and will take pleasure in executing work left with him in a manner calculated to give the fullest satisfaction to all who may be inclined to patronize him.

The Materials and Stock for the bindery were purchased and brought out by us from the North without any expectation of profit, save in the accommodation to be afforded to ourselves and others who might have binding to be done, and with the view to obviate the necessity of sending abroad for it, with the trouble, expense, and delay unavoidably incurred in so doing. Mr. Heinsberger has now the use of the Materials, and we respectfully ask of the people of Wilmington and the surrounding Counties to give to him such a support as will enable him to continue Book-binding as a permanent business in this place, as it cannot fail to be a very great accommodation and advantage to the community.
FULTON & PRICE

Having the use of the Book-Binding Materials of Messrs Fulton & Price, I will give my entire attention to executing all orders for Book-Binding in its various branches, promptly and in the best manner. I feel confident of being able to do my work as well, and on as favourable terms as it can be done in the Northern Cities. The patronage of the public is respectfully solicited.

DOCTOR JOHNSON.

THE founder of this Celebrated Institution offers the most Certain, Speedy, and only effectual remedy in the world for Gleets, Strictures, Sexual weakness, Pains in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Disease of the Head, Throat, Nose, or Skin; and all those serious and melancholy Disorders arising from the Destructive habits of Youth, which destroy both body and mind. THESE SECRET and solitary practices more fatal to their victims than the song of the Syrens to the mariners Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage &c., impossible.

Young Men,

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with all confidence.

Marriage.

Married Persons, or Young Men contemplating marriage, being aware of Physical Weakness, Organic Debility, Deformities &c., should immediately consult Dr. J., and be restored to perfect health.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Organic Weakness

immediately cured, and full vigor restored.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of consumption, ect.

Nervous Debility,

Weakness of the system, Nervous Debility and premature decay generally arise from the Destructive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its Victims from an ignorance of the dangers to which they subject themselves. Parents and Guardians are often misled with respect to the cause or source of disease in their sons and wards. Alas! how often do they ascribe to other causes, the wasting of the frame, Palpitation of the Heart, Dispepsia, indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption, also, those serious Mental effects, such as loss of memory, depression of Spirits, Evil Forebodings, Aversion of Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, have a singular appearance about the eyes, cough are symptoms of consumption.

Dr. Johnston's Invigorating Remedy for Organic Weakness.

By this great and important remedy, weakness of the organs are speedily cured, and full vigor restored. Thousands of the most nervous and debilitated, who had lost all hope, have been immediately relieved. All impediments to **Marriage,** Physical or Mental Disqualification, Nervous Irritability, Tremblings and Weakness, or exhaustation of the most fearful kind, speedily cured by Dr. Johnston.

Young Men,

Who have injured themselves by a Certain Practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons before contemplating

Marriage,

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.
