BALTIMORE LOCK HOSPITAL.

DOCTOR JOHNSON.
THE Consider of this Colebrated Institution offers the most THE conder of this Celebrated Institution offers the most Certain Speedy, and only effectual returnly, in the world for Glock, Strictures, Seminal weakness, Pains in the Leins, Constitutional Itability, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Paintintions of the Head, Thront, Nose or Skin; and all those serious and melancholy Throat. None or Skin; and all those persons and inclameholy lisorders arising from all those Destructive habits of Youth which destroy both body and mind. These succurr and solitary practices more fatal to their victims than the song of the Syrens to the Mariners Ulyases, blighting their most brilliant hopes of unticipations, rendering marriage, &c., impossible.

to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have enfranced listening Senates with the thunders of elequence, or waked to costacy the living lyre, may call with all confidence.

Marriage. Married Persons, or, Young Men contemplating marriage, being awars of Physical Weakness, Organic Debility, Defor-mities, &c., should immediately consult Dr. J., and be restored to perfect health.

to perrect health. He who places himself under the care of Dr. Johnson mar religiously confide in his honor as a gentleman, and confi dently rely upon his skill as a physcian. Organic Weakness

Organic Weakness
immediately cured, and full vigor restored.
This disease is the ponalty most frequently paid by those
who have become the victims of improper indulgences.—
Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue.—
Now, who that understands the subject will pretend to deny
that the power of Procreation is lost sooner by those falling
into improper habite than by the product. Besties here into improper habits than by the prudent. Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dispepsia, palpitation of the heart, indigestion, a wasting of the frame, cough,

symptoms of consumption, etc.

Nervous Debility.

Weakness of the system, Nervous Debility and premature decay generally arise from the Destructive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its victims, from an ignorance of the dangers to which they subject themselves. Parents and Guardians are often mis-led with respect to the cause or source of disease in their sons and wards. Alas! how often do they ascribe to other causes the wasting of the frame, l'alpitation of the Heart, Dyspepsia, Indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption, also, those se-rious mental effects, such as loss of memory, depression of spirits, or peculiar fits of melancholy, when the the truth is, they have been caused by including in permicious but alluring practices, destructive to both Body and Mind. Thus are swept from existence thousands who might have been of use to their country, a pleasure to their friends and oruaments to society.

you will mistake the place. Take notice, observe the name on the door and windows. A Cure warranted, or no Charge Made, in from One to Two Days. NO MERCURY OR NAUSEOUS DRUGS USED. DR. JOHNSON,

Member of the Boyal College of Surgeons, London, Gradu ate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and cars when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, ats with deranger mind, were

immediately. A Certain Disease. When the misguided and impredent votary of pleasure finds he has imhibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from edocation and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as olderated sore throat, diseased nose, nocturnal pains, in the head and ifficus, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till as last the palate of the mouth or the bones of the nose fail in, and the victim of this awful disease becomes a horrid object of commisseration, till death puts a period to his dreadful sufferings by sending him to "that bourne from whence no traveler returns." To such, therefore, Dr. Johnson pledges himself to preserve the most inviolable secresy, and from his extensive practice in the first hospitals in Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of

this horrid disease. It is a melancholy fact, that thousands fall victims to this dreadful disease, owing to the unskillfulness of ignerant pre-tenders, who, by the use of that dreadful poison, mercury, ruin the constitution, and even send the unfortunate sufferer to an untimely grave, or else make the residue of his life

Take Particular Notice. Dr. J. addresses all those who have injured themselves by private and improper indulgences. These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs. Pain in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous irritability, Derangement of the Digestive Functions,

neral Debility, Symptoms of Consumption, &c.
MENTALLY.—The fearful effects upon the mind are much to be dreaded: Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion of Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons, of all ages, can new judge what is the cause of their declining health. Losing their vigor, be-coming weak, pale and emaciated, have a singular appear-ance about the eyes, cough and symptoms of consumption. Dr. Johnson's invigorating Remedy for Organic Weakness.

By this great and important remedy, weakness of the or gans are speedily cured, and full vigor restored. Thousands of the most nervous and debilitated, who had lost all hope, have been relieved. All impediments to Marriage, Physical or Meutal Disqualification, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speedily cured by Dr. Johnson.

Young Men, Who have injured themselves by a certain practice, in duiged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cored readers marriage impossible, and destroys both mind and body, should apply

What a pity that a young man, the hops of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons, before contemplating

should reflect that a sound mind and body are the most no cessary requisities to promote countries happiness. Indeed, without these, the journey through its becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection, that the happiness of another, becomes that the same and the countries of the c comes blighted with our own.

SKIN DISEASE SPEEDILY GURED. The many thousands cared at this Institution within the last twelve years, and the numerous important surgical Operations performed by Dr. JOHNSON, witnessed by the reporters of our daily papers and many other persons—notices of which have again and again appeared before the public—is a sufficient guarantee, that the afficient will find a skillful and honorable physician.

Take Notice.

N. B. There are an energy worthless Quarks advections.

MEDICINAL.

King's Evil, Lambar Absens, Hip Disease, White Swelling, all Diseases of the Skin, Diseases of the Liver, Diseases of the Kidneys and Spine, Chronic Sore Eyes, Scald Head, Salt Rheum, Scurvy, Chorea or St. Vitus' Dance, Asthma, Jaundice, Chronic Rheumatism, Chronic Debility following intermittent or Malarious Favors, and all dis-cases arising from the excessive use of Marcary.

The Vegetable Alterative is offered to the public as a radi-cal cure for the above named discuses, arising wholly or in part from impurity or vitiation of the blood—the basis of its success rests upon the well-known alterative properties of Spanish Sarsaparilla, which is imported expressly for the compounder of this medicine in all its purity; it is then, with the addition of other medicinal plants—alteratives and tenic in their action—manufactured with great care, and concentrated in a paintable form, making by the combination one of the best Alterative Medicines ever used. It is mild, yet active, in its operation; it renovates, while it removes the cause of disease, and may be used by all with confidence and

It is an Alterative Tonic, and is peculiarly adapted to malarious sections of the country -it eradicates thoroughly all traces of chronic debility which so often follows an attack of severe or protracted cases of intermittent fever. In the South and West it has been thoroughly tried, and has never failed to restore the invalid to health, sometimes after all other remedies have failed.

In diseases arising from an excessive use of mercury or other mineral medicines, it is unsurpassed in the thorough and prompt manner in which it eradicates all diseased matter from the blood and glandular system.

In all cutaneous diseases it acts like a charm, and in such diseases as Scald Head, Salt Rheum, and Skin diseases of very kind, it is without an equal in its curative effects. In the combination there are remedies that act directly on the Liver and Kidneys, and therefore it proposes to releve these organs when in a torpid or inactive state. In relieving these and other organs, and being a purifier of the blood, it claims to be a cure for that leathsome disease,

The Alterative is put up in plut bottles. Accompanying each bottle is a pamphlet setting forth the nature and character of the several diseases for which it proposes to be a care.

All Agents and others who have the Alterative for sale are supplied with these pumphlets for distribution. Ask for Congress and Cup. This medicine has been extensively used by many phyicians of eminence throughout the South, and we have let ters from many of them, speaking in the highest terms of its action as an Alterative Tonic Remedy. We are at liberty to refer to Dr. King, of Louisburg, N. C.; Dr. Claiborne, of Petersburg, Virginia; Drs. Wilson and Sanders, Marianna, Florida; Drs. Blunt, Hart and Butler, Greenwood, Fla.; Dr. C.
