BALTIMORE LOCK HOSPITAL.

BALTIMORE LOCK HOSPITAL.
DOCTOR JOHNSON.

THE founder of this Celebrated Institution offers the most Certain Speedy, and only effectual remedy, in the world for Gleeta. Strictures. Seminal weakness. Pains in the Loins. Constitutional Debility, Impotency. Weakness of the line's and Limbs. Affections of the Kidneys. Palpitations of the Heart. Dropepsia. Nervous Irritability. Discusse of the Heart, Throat. Nose or Skin; and all those serious and melancholy Disorders arising from all those Destructive habits of Youth which destroy both body and mind. Turker secure and solitary practices more fatal to their victims than the song of the Syrens to the Mariners Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible. Young Men.

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of elequence, or waked to costacy the living lyre, may call with all confidence.

Married Persons, or Young Men contemplating marriage, being aware of Physical Weakness, Organic Debility, Defor-mities, &c., should immediately consult Dr., J., and be restor-ed to perfect health.

He who places himself under the care of Dr. Johnson may religiously confide in his honor as a gentleman, and confi-dently rely upon his skill as a physician.

Organic Weakness immediately cured, and full vigor restored. immediately cured, and full vigor restored.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences.—Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may susue.—Now, who that understands the subject will pretend to deay that the power of Procreation is lost sconer by those falling into improper habits than by the prudent. Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise.—The system becomes deranged, the physical and mental powers weakened, nervous deblifty, dispepsia, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of consumption, etc.

Rervous Deblitty.

Weakness of the system, Nervous Deblitty and premature

Weakness of the system, Nervous Debility and premature decay generally arise from the Destructive habit of youth, that solitary practice so fatal to the healthful existence of that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its victims, from an ignorance of the dangers to which they subject themselves. Parents and Guardians are often minied with respect to the cause or source of disease in their sons and wards. Alas! how often do they ascribe to other causes the wasting of the frame, Palpitation of the Heart, Dyspepsia, Indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption, also, those sorious mental effects, such as loss of memory, depression of spirits, or psculiar fits of meiancholy, when the the truth is, they have been caused by indulging in pernicious but alluring practices, destructive to both Body and Mind. Thus are awept from existence thousands who might have been are awept from existence thousands who might have been of use to their country, a pleasure to their friends and orna-

DR. JOHNSON, Member of the Royal College of Surgeons, London, Gradu-ate from one of the most eminent Colleges of the United ate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia, and else-where, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, at-tended sometimes with darangement of mind, were cured

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains, in the head and limis. dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till as last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commisseration, till death puts a period to his dreadful sufferings by sending him to "that bourne from whence no traveler returns." To such, therefore, Dr. Johnson pledges himself to preserve the most in-A Certain Disease. fore, Dr. Johnson pledges himself to preserve the most in-violable secresy, and from his extensive practice in the first hospitals in Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of

It is a melancholy fact, that thousands fall victims to this dreadful disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that dreadful poison, mercury, ruin the constitution, and even send the unfortunate sufferer to an untimely grave, or else make the residue of his life

Take Particular Notice.

Dr. J. addresses all those who have injured themselves by private and improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz : Weakness of the Back and Limbs, Pain in the Head, Dimness of Sight, Loss of

and Limbs, Pain in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspensia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY—The fearful effects upon the mind are much to be dreaded: Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion of Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons, of all ages, can now judge what is the cause of their declining health. Losing their vigor, be-coming weak, pale and emaciated, have a singular appear-ance about the eyes, cough and symptoms of consumption, Dr. Johnson's invigorating Remedy for Organic Weakness.

By this great and important remedy, weakness of the organs are speedily cured, and full vigor restored. Thousands of the most nervous and debilitated, who had lost all hope, have been relieved. All impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speedily cured by Dr. Johnson. fly cured by Dr. Johnson.

Who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when saleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons, before contemplating

should reflect that a sound mind and body are the most necessary requisities to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection, that the happiness of another, becomes blighted with our own.
