He who places himself under the care of Dr. Johnson may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physcian. **Organic Weakness** immediately cured, and full vigor restored. This disease is the penalty most frequently paid by those who have become the victums of improper indugences, — Young persons are too apt to commit excesses from not be-ing aware of the dreadful consequences that may ensue, — Now, who that understands the subject will pretend to deny that the power of Procreation is lost sconer by those fulling into improper habits than by the pradent. Besides being 

subject themselves. Parents and Guardians are often mis-led with respect to the cause or source of disease in their sons and wards. Alas! how often do they ascribe to other causes the wasting of the frame, Palpitation of the Heart, Dyspepsia, Indigestion, derangement of the Nervous Sys-ten, Cough, and Symptoms of Consumption, also, those se-rious mental effects, such as loss of memory, depression of spirits, or peculiar fits of melancholy, when the the truth is, they have been caused by indulging in permissions but allur-ing practices, destructive to both Body and Mind. Thus are swept from existence thousands who might have been of use to their country, a bleasure to their friends and ornaof use to their country, a pleasure to their friends and orna-
