WHEN ANY OF THE MANY MACHINES NOW OF-fered to the public, have so much of excellence that the venders of them can say, "It makes Singer's stitch"--that, they would have you understand, is recommendatory-enough. So far as if goes, very well. Those who may think of purchasing a Machine for Plantation or Family sewing, should bear in mind the fact, that the reputation of a thing, is not the thing itself. To make Singer's slitch requires a combination of numerous ingenious patents, belonging ex-classically to I. M. Singer & Co., and are used only in the con-struction of their Machines, all initiations to the contrary, not withstanding. And the PERFECTION of this slitch is only realized through and by the combined patents alore-said. The working parts of their family Machines possess the same excellencies as belong to their Higher Priced Ma-chines. The orgenet a variety of heavy work. The Family Machine, Price 500, with all the improve-ments, and entirely original designs, will be introduced into our establishnem during the present monts.
