DOCTOR JOHNSON.
THE founder of this Celebrated Institution offers the most Certain Speedy, and only effectual remedy, in the world for Gleets. Strictures. Seminal weakness, Pains in the Lains, Gleets, Strictures, Seminal weakness, Pains in the Loins, Constitutional Bubility, impotency, Weakness of the licels and Limbs, Affections of the Kidneys, Palpitations of the Heart, Dyspepsis, Nervous Irritability, Disease of the Heart, Throat, Now or Skin; and all those serious and melantholy Disorders arising from all those Destructive habits of Youth which destroy both body and mind. Trass access and shitary practices users faind to their victims than the sung of the Syrves to the Markova Ulysses, blighting their most brilliant hopes of asticipations, rembring marriage, &c., impossible. to an untimely grave thousands of young men of the mest exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of sloquence, or waked to costacy the living lyre, may call with all confidence.

Married Persons, or, Young Men contemplating marriage, being awaru of Physical Weakness, Organic Behillty, Defor-mities, &c., should immediately consult Dr. J., and be restor-ed to perfect health.

mittes, &c., should immediately consult Dr. J., and be restered to perfect health.

He who places himself under the care of Dr. Johnson may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Organic Weakness
immediately cured, and full vigor restored.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences.

Young persons are too apt to commit excesses from not being aware of the drudful consequences that may emme.

Now, who that understands the subject will pretend to deny that the power of Progration is lost sconer by those failing into improper habits than by the prudent. Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental powers weakened, pervous debility, dispepsie, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of consumption, etc. symptoms of consumption, etc. Nervous Debility.

Weakness of the system, Nervous Debility and premainre decay generally arise from the Destructive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its victims, from an ignorance of the dancers to which they subject themselves. Parents and Guardians are often mis-led with respect to the cause or source of disease in their sons and wards. Alas! how often do they useribe to other causes the wasting of the frame, Palpitation of the Heart, Dyspepsia, Indigestion, derangement of the Nervous Sys-tem, Cough, and Symptoms of Consumption, also, those se-rious mental effects, such as less of memory, depression of spirits, or peculiar fits of melancholy, when the the truth is, they have been caused by indulging in pernicious but alluring practices, destructive to both Body and Mind. Thus are swept from existence thousands who might have been of use to their country, a pleasure to their friends and ornaments to scalets.

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, at tended sometimes with derangement of mind, were cured

immediately. A Certain Disease.

When the misguided and impredent votary of pleasure finds he has imbibed the seeds of this painful disease, it too eften happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as alcerated sore throat, diseased nose, nocturnal pains, in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with fright-A Certain Disease. on the head, face and extremities, progressing with frightful rapidity, till as last the paints of the mouth or the hones of the nose fall in, and the victim of this awful disease becomes a horrid object of commisseration, till death puts a period to his dreadful sufferings by sending him to bourne from whence no traveler returns." To such, therefore, Dr. Johnson pledges himself to preserve the most inviolable secresy, and from his extensive practice in the first hospitals in Europe and America, he can confidently recom-mend a safe and speedy cure to the unfortunate victim of

It is a melancholy fact, that thousands full victims to this dreadful disease, owing to the unskillfulness of ignorant pre-tenders, who, by the use of that dreadful poison, mercury, ruin the constitution, and even send the unfortunate sufferer to an untimely grave, or else make the residue of his life

Take Particular Notice. Dr. J. addresses all those who have injured themselves by private and improper indulgences.

These are some of the sad and metancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pain in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Decangement of the Digestive Functions, General Dublity, Symptoms of Community to General Debility, Symptoms of Consumption, &c.

MENTALLY—The fearful effects upon the mind are much to

be dreaded: Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion of Society, Self Distrust, Love of Solitade, Timidity, &c., are some of the the cause of their declining health. Losing their vigor, becoming weak, pale and emaclated, have a singular appearance about the eyes, cough and symptoms of consumption.

Dr. Johnson's Invigorating Remedy for Organic Weakness.

By this great and important remedy, weakness of the organs are speedily cured, and full vigor restored. Thousands of the most nervous and debilitated, who had lost all hope, have been relieved. All impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speed ily cured by Dr. Johnson.

Young Men.

Who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured, renders marriage

impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country. and the darling of his parents, should be seatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons, before contemplating

should reflect that a sound mind and body are the most ne cessary requisities to promote connubial lappiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes abadowed with despair and filled with the melancholy reflection, that the happiness of another, be comes blighted with our own.
