HALTIMORE LOCK HOSPITAL.

DOCTOR JOHNSON.
THE rounder of this Celebrated Institution of Certain Speedy, and only effectual remedy, in the world for Sheets, Strictures, Seminal weakness, Pains in the Loins, Constitutional Debility, Impatency, Weakness of the Rack and Limba, Affections of the Khineys, Palpitations of the Heat, Throat, Now or Skin-; and all those serious and melancholy Disorders arising from all those Destructive habits of Youth which destroy both body and mind. Thus sucusar and sultary practices more fatal to their victims than the song of the Syrens to the Mariners Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

Young Men

especially, who have become the victims of Solfiary Vice, that dreafful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted falents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with all confidence. Marringe.

Married Persons, or Young Men contemplating marriage, being awars of Physical Weakness, Organic Debility, Defor-mities, &c., should immediately consult Dr. J., and he restor-ed to perfect health.

mittes, &c., should immediately consuit Dr. J., and he restored to perfect health.

He who places himself under the care of Dr. Johnson may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physcian.

Organic Weakness immediately cured, and full vigor restored.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences.—Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue.—Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise.—The system becomes deranged, the physical and mental powers weakened, nervous debility, dispepsia, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of consumption, etc.

symptoms of consumption, etc.

Nervous Debility. Weakness of the system, Nervous Debility and premature decay generally arise from the Destructive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its victims, from an ignorance of the dangers to which they subject themselves. Parents and Guardians are often misted with respect to the cause or source of disease in their ways and works. sons and wards. Alas! how often do they ascribe to causes the wasting of the frame, Palpitation of the Heart, Dyspepsia, Indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption, also, those serious mental effects, such as loss of memory, depression of spirits, or peculiar fits of melancholy, when the the truth is, they have been caused by indulging in permicious but alluring practices, destructive to both Body and Mind. Thus are swept from existence thousands who might have been of use to their country, a pleasure to their friends and ornaments to society.

DR. JOHNSON, Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spont in the first Hospitals of London, Paris, Philadelphia, and else-where, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when saleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, at tended sometimes with derangement of mind, were gured

A Certain Disease. When the misgoided and impredent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains, in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with fright ful rapidity, till as last the palate of the mouth or the bone of the none fall in, and the victim of this awful disease becomes a horrid object of commisseration, tili death puts a period to his dreadful sufferings by sending him to "that bourne from whence no traveler returns." To such, there-fore, Dr. Johnson pledges himself to preserve the most inviolable secresy, and from his extensive practice in the first hospitals in Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of

this horrid disease. It is a meiancholy fact, that thousands fall victims to this dreadful disease, owing to the unskillfulness of ignorant pre-tenders, who, by the use of that dreadful poison, mercury ruin the constitution, and even send the unfortunate suffer er to an untimely grave, or else make the residue of his life

Take Particular Notice. Dr. J. addresses all those who have injured themselves by

Dr. J. addresses all those who have injured themselves by private and improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth; vis: Weakness of the liack and Limbs, Pain in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyapopsia, Nerwous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

AND PAY, Distrust, Love of Solitude, Timidity, &c., are some of the evils produced. Thousands of persons, of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emicrated, have a singular appearance about the eyes, cough and symptoms of consumption.

Dr. Johnson's Invigorating Remedy for Organic Weakness.

By this great and important remedy, weakness of the or-gans are speedily cured, and full vigor restored. Thousands of the most nervous and debilitated, who had lost all hope, have been relieved. All impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speed-

weakness, or exhaustion of the most learner kind, speedily cured by Dr. Johnson.

Young Men,

Who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil
companions, or at school—the effects of which are nightly
felt, even when asleep, and if not cured, renders marriage

impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of

deviating from the path of nature, and indulging in a certain secret habit. Such persons, before contemplating Marriage should reflect that a sound mind and body are the most necessary requisities to promote commobial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection, that the happiness of another, becomes highed with our own.
