MEDICAL.

BALTIMORE LOCK HOSPITAL,
ESTABLISHED AS A REFUGE FROM QUACKERY.
The Only Place where a Cure can be Obtained.
DR. JOHNSON has discovered the most Certain, Speedy and only Effectual Remedy for the Weakness of the Back or Limbs, Stricture, Affections of the Kidneys and Bladder, Involuntary Discharge, Impotency, General Debility, Nervousness, Dyspepsia, Leucorrhoea, Confusion of Ideas, Palpitation of the Heart, Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Lungs, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of Youth—whose early and salutary practice more fatal to their victims than the song of Siren or anticipations, rendering marriage, &c., impossible.
YOUNG MEN
Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps in an untimely grave thousands of Young Men of the most exalted talents and noblest intellect, who might otherwise have attained illustrious Geniuses with the shades of age, or waked to society of the living lyre, may still with full confidence.
MARRIAGE
Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformity, &c., speedily cured.
He who places himself under the care of Dr. J. may religiously and confidently rely upon his skill as a Physician.
ORGANIC WEAKNESS
Immediately Cured and Full Vigor Restored.
This Dreadful Disease—which renders Life miserable and Marriage impossible—is the penalty paid by the victims of improper habits, and is the result of the excessive use of the system from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is not secured by those falling into the proper habits than by the prudent? Business being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes debilitated, the Physical and Mental Functions weakened; Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the heart, Indigestion, Constitutional Debility, & Wasting of the Frame, Consumption, &c., &c., ensue.
OFFICE NO. 7, SOUTH FREDERICK STREET.
Left hand side going from Baltimore street, a few doors from the corner. Fall not to observe name and number.
Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.
DR. JOHNSON.
Member of the Royal College of Surgeons, graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, headachings, with frequent blinding attended sometimes with a derangement of mind, were cured immediately.
TAKE PARTICULAR NOTICE!
Dr. J. advises all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, and unfit them for their business, study, society or marriage.
These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Loss of Procreative Power, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of the Brain, Consumption, &c., &c., ensue.
MENTALLY. The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirit, Evil Forebodings, Aversion to Society, Self-Distrust, Loss of all the pleasures of life, &c., &c., ensue.
Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, nervous and sensitive, and having a singular appearance about the eyes, cough and symptoms of consumption.
YOUNG MEN
Who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school, the effect of which is highly evil, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.
What a pity that a young man, the hope of his country, the darling of his parents, and the support of his family, should be afflicted with this disease, and be obliged to spend his life in the hospitals of the poor, and in the hands of the quack, when he could be cured by the use of the most powerful medicine, and in a few days be able to resume his usual avocations, and be the support of his family, and the blessing of his country.
Reflect that a sound mind and body are the most necessary requisition to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes clouded with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.
DISEASE OF IMPROBUDENCE
When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this pestiferous disease, if he often has some that an ill-timed sense of shame, or dread of discovery, deter him from applying to those who, from education and respectability, and whose names are known to the public, and who, by their sagacious and designing pretenses, may, in consequence of their high pecuniary substance, keep him trilling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health, and a mind that is pining with disappointment, or, by the use of that deadly poison, Mercury, hasten the constitutional system of this terrible disease, such as affection of the brain, and all the other organs, and the progress of this fatal malady will death pursue a period to his miserable existence, by sending him to that undiscovered country from whose bourne no traveler returns.
ENDORSEMENT OF THE PRESS
The many testimonials in relation to the success of the late operations performed by Dr. Johnson, witnessed by the reporters of the Sun and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.
SKIN DISEASES SPEEDILY CURED.
Persons afflicted with any of the following diseases, by directing their letters to his Institution in the following manner:

CHEROKEE REMEDY
AN UNFAILING CURE FOR
Gonorrhoea and all Diseases of the Urinary Organs.
THIS REMEDY cures when all other preparations fail. It entirely unites every other compound, containing an Mineral Poison or Nauseous Drug; as it is prepared solely from Roots, Herbs and Leaves, and has been handed down from one generation to another, by the Cherokee Indians. It is offered to the public on its own intrinsic merits. It performs its duty quickly and thoroughly. The Effectiveness of either sex will be repaired by using this Remedy, instead of placing themselves in the power of some Quack or Professor. This Remedy strikes at the very root of the disease; its tendency is not simply to expel the poison, but to remove the Cause on which it depends. Full directions and all diseases of the Urinary Organs, has accomplished the most excellent of men of the age. This Remedy not only cures all Poison from the System but also restores the most delicate constitution.
It does not Affect the Breath or Interfere with any Close Business, or require any deviation from the usual diet. It requires no assistance from other medicines.
It is sold by all respectable Druggists in the United States, and is the most valuable Medicine ever discovered for the cure of all Diseases of the Urinary Organs, being a Pleasant and Delicious Syrup.
