MEDICAL.

BALTIMORE LOCK HOSPITAL.
ESTABLISHED AS A REFUGE FROM QUACKERY. The only Place where a Cure can be Obtained.
Dr. JOHNSON has discovered the most Certain, Speedy and Effectual Remedy in the World for Weakness of the Back or Limbs, Stricture, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Trembling Tremblings, Dimness of Sight or Blindness, Disease of the Head, Throat, Nose or Skin, Affections of the Lungs, Stomach or Bowels—these Terrible Disorders arising from the Solitary Habits of Youth—those sooner and earlier cured, the sufferers, victims than the song of Byrons to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.
YOUNG MEN
Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit annually sweeps in an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entered the noblest ranks of the sciences of eloquence, or ranked to assist the living lyre, may still with full confidence.
MARRIAGE
Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., who place himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.
ORGANIC WEAKNESS
Immediately Cured and Full Vigor Restored.
This Dreadful Disease—which renders Life miserable and Marriage impossible—is the penalty paid by the victims of improper and lascivious indulgence in the gratification of the passions, not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits, and the procreation of the race being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the Physical and Mental Faculties, Weakness, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Involuntary Discharges, Debility, a Wasting and Consumptive Tendency, &c., &c.
OFFICE NO. 7, SOUTH FREDERICK ST.
Left hand side going from Baltimore to New York, a few doors from the corner. Fall not to observe name and number. Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

DR. JOHNSON.
Member of the Royal College of Surgeons, graduate from one of the most eminent Colleges in the United States, and the great part of whose life has been spent in the hospitals of London, Paris, Philadelphia and other celebrated cities, he has the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, headachings, with frequent blushing, attended sometimes with a derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE!
Dr. J. addresses all those who have injured themselves by improper habits, and solitary habits, which ruin both body and mind, uniting them to a most judicious study, society or marriage.
There are some of the sad and melancholy effects produced by these habits, and the procreation of the race being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the Physical and Mental Faculties, Weakness, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Involuntary Discharges, Debility, a Wasting and Consumptive Tendency, &c., &c.
MENTALLY.—The fearful effects on the mind are much to be dreaded. Memory, Confusion of Ideas, Depression of Spirits, Evil Propensities, Irritability, Nervousness, Loss of Solitude, Timidity, &c., are some of the evils produced.
Thousands of persons of all ages can now judge what is the cause of their debility, and how they may be cured. The system is deranged, the Physical and Mental Faculties, Weakness, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Involuntary Discharges, Debility, a Wasting and Consumptive Tendency, &c., &c.

YOUNG MEN
Who have injured themselves by a certain practice indulged in when alone—a habit from which, in early connections, as at school, the effect of which are slightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.
What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating
MARRIAGE
reflect that a sound mind and body are the most necessary requisites to ensure a happy and successful issue of their union, and the journey through life becomes a weary pilgrimage, the very hour darkens to the view; the mind becomes shadowed with despair, and the public feeling is standing in a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

BRIN DISEASES SPEEDILY CURED.

ORGANIC WEAKNESS
Immediately Cured and Full Vigor Restored.
This Dreadful Disease—which renders Life miserable and Marriage impossible—is the penalty paid by the victims of improper and lascivious indulgence in the gratification of the passions, not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits, and the procreation of the race being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the Physical and Mental Faculties, Weakness, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Involuntary Discharges, Debility, a Wasting and Consumptive Tendency, &c., &c.

DR. JOHNSON.
Member of the Royal College of Surgeons, graduate from one of the most eminent Colleges in the United States, and the great part of whose life has been spent in the hospitals of London, Paris, Philadelphia and other celebrated cities, he has the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, headachings, with frequent blushing, attended sometimes with a derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE!
Dr. J. addresses all those who have injured themselves by improper habits, and solitary habits, which ruin both body and mind, uniting them to a most judicious study, society or marriage.
There are some of the sad and melancholy effects produced by these habits, and the procreation of the race being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the Physical and Mental Faculties, Weakness, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Involuntary Discharges, Debility, a Wasting and Consumptive Tendency, &c., &c.
MENTALLY.—The fearful effects on the mind are much to be dreaded. Memory, Confusion of Ideas, Depression of Spirits, Evil Propensities, Irritability, Nervousness, Loss of Solitude, Timidity, &c., are some of the evils produced.
Thousands of persons of all ages can now judge what is the cause of their debility, and how they may be cured. The system is deranged, the Physical and Mental Faculties, Weakness, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Involuntary Discharges, Debility, a Wasting and Consumptive Tendency, &c., &c.

YOUNG MEN
Who have injured themselves by a certain practice indulged in when alone—a habit from which, in early connections, as at school, the effect of which are slightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.
What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating
MARRIAGE
reflect that a sound mind and body are the most necessary requisites to ensure a happy and successful issue of their union, and the journey through life becomes a weary pilgrimage, the very hour darkens to the view; the mind becomes shadowed with despair, and the public feeling is standing in a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.
