MEDICAL.

ESTABLISHED AS A REFUGE FROM QUACKERY.
The Only Place where a Cure can be Obtained.

DR. JOHNSON has discovered the most Certain, Speedy and only Effectual Remedy in the World for Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspapsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Lungs, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of Youth—those Spears and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Thysson, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

XOUNG MEN BALTIMORE LOCK HOSPITAL.

YOUNG MEN Especially, who have become the victims of Solitary Vice, that dreadful and destructive habi twhich annually sweeps to an untimely grave thousands of Young Men of the most exakted talents and brilliant intellect, who night otherwise have ontranced listening Scenates with the thunders of sloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously coufide in his honor as a gentieman, and confidently rely upon his kill as a Physician.

ORGANIC WEAKNESS

immediately Cured and Full Vigor Restored.

This Dreadful Disease—which renders Life miserable and Marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may easile.—Now, who that understands the subject will pretend to deap that the power of procreation is lost scorner by those falling in in a proper labits than by the prudent? Bestdes being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Menial Functions Weakened, Loss of Progreative Power, Nervous Irritability, Dyspepsis, Palpitation of the heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Coughs, Consumption, &c.

OFFICE NO. 7. SOUTH FREDERICE ST. Left hand side going from Haltimore street, a few doors from the corner. Fall not to observe name and number. Letters must be paid and contain a stamp. The Doctor's Di-plomas hang in his office.

DR. JOHNSON. Member of the Royal College of Surgeons, graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, be-ing alarmed at sudden sounds, bashfulness, with frequent blush-ing, attended sometimes with a derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE D₁. J. addresses all these who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or mar

mind, unfitting them for either business, study, society or mar ringe.

There are some of the sad and melancholy effects produced by certy habits of youth, viz: Weakness of the Back and Limbs. Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Beart, Dyspepsy, Norvous Irritability, Derangement of the Digestive Functions, General Debility, Bymptoms of Consumption.

MESTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Bociety, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousable of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, narvous and emaciated; having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN Who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school, the effect of which are nightly fell, even when saleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatshed from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE. reflect that a sound mind and body are the most necessary requisition to premete essential happiness. Indeed, without these, the journey through life becomes a weary pligrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

happiness of another becomes blighted with our own.

DISPASE OF IMPRUDENCE

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an lil-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the han is of ignorant and designing pretenders, who, incapable of curing, filch his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his gailing disappointment; or, by the use of that deadly polson, Mercury, haston the constitutional system of this terrible disease, such as affection of the Head, Throat, Nose, Skin, etc., progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whose bourne no traveler returns.

ENDORSHMENT OF THE PRESS.

The many thousands cared at this institution within the last eighteen years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun" and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

SKIN DISEASES SPEEDILY CURED

Persons writing should be particular in directing their letters to his Institution in the following manner:
