BALTIMORE LOCK HOSPITAL.

ESTABLISHED AS A REFUGE FROM QUACKERY.
The Only Piece where a Cure can be Obtained.

DR. JOHNSON has discovered the most Certain, Speedy and only Efficated Ramedy in the World for Weakness of the Back or Limbs, Strictures, Affections of the Kidnoys and Riadder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languar, Low Spirita, Confusion of Ideas, Palpitation of the Heart, Timidity Tremblings, Dimness of Skylt or Giddiness, Disease of the Head, Thront, Nose or Skin, Affections of the Longs, Stomach or Bowels—those Terrible Disorders arising from the Solitary Habits of Youth—those secury and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

YOUNG MEN Especially, who have become the victims of ficilitary Vice, that dreadful and destructive habi twhich annually sweeps to an untimely grave thousands of Young Men of the most exaked talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of cloquence, or waked to coalsely the living lyrs, may call with full confidence.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his kill as a Physician. MARRIAGE.

ORGANIO WEARNESS

Immediately Cured and Full Vigor Restored.

This Dreadful Disease—which renders Life miscrable and Marriage impossible—is the penalty paid by the victims of improper induluceses. Young persons are too apt to commit expesses from not being aware of the dreadful consequences that may ensue.—Now, who that understands the subject will pretend to deny that the power of progreation is lost sooner by those falling '* 'n proper babits than by the prudent! Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system Accomes Derangel, the Physical and Mental Functions Weakmed, Loss of Progreative Power, Nervous Irritability, Dyspepsia, Palpitation of the heart, Indigestion, Constitutional Beblitty, a Wasting of the Frame, Coughs, Consumption, &c.

OFFICE NO. 7. SOUTH PREDERICE ST. Left hand side going from Baitimore street, a few doors from the corner. Fall not to observe name and number. Letters must be paid and contain a stamp. The Dostor's Di-plomas hang is his office.

DR JOHNSON. Member of the Royal College of Surgeons, graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of Loudon, Parts, Philadelphia and elsewhere, has ediscide some of the most astonishing curves that were ever known; many troubled with ringing in the head and ears when aslesp, great nervousness, be-ing alarmed at sudden sounds, bashfulness, with frequent blush-ing, attended sometimes with a derangement of mind, were cured immediately.

TARE PARTICULAR NOTICE: Dr. J. addresses all those who have injured themselves by im-proper indulgence and selliary habits, which rain both body and mind, unfitting them for either business, study, society or mar

riage.

Thuss are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limba. Pains in the Head, Dinness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Hymptoms of Consumption.

Manyally.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distruss, Love of Solitude, Timidity, &c., are some of the evils produced. Thomasns of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaolated; having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN Who have injured themselves by a certain practice indulged in when alone—a labit frequently learned from evil companions, or at school, the effect of which are nightly felt, even when asieep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be anatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons wear, before contemplating

MARRIAGE.

reflect that a sound mind and body are the mostinecessary requisition to promote commutal happiness. Indeed, without these, the journey through life becomes a weary pitgrimage; the proper hourly darkens to the view; the mind becomes shadowed with despair and filled with the metancholy reflection that the happiness of another becomes blighted with our own.

happiness of another becomes blighted with our own.

DISHASH OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeks of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him. He fails into the hanks of ignorant and designing pretenders, who, incapable of curing, flich his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his gailing disappointment; or, by the use of that deadly polace, Mercury, hasten the constitutional system of this terrible disease, such as affection of the Head, Throst, Nose, Skin, etc., progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whose bourne no traveler returns.

ENDORSEMENT OF THE PRESS.

The many thousands cured at this institution within the last eighteen years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the Sun" and many other papers, notices of which have appeared again and again before the public, besides his standing as a gen-tleman of character and responsibility, is a sufficient guarantee to

the afflicted.
