The Southern Republic. The Permanent Constitution of the Confederate States of

ing in its sofersign and independent character, in order to form a perminent federal government, estab isb justice, inare demostly tracquility, and secure the blessings of liber-y to curscives and our posterity-invoking the favor and The ourserves and our posterity-involving the averagination of Almighty God-do ordain and establish this Constitution for the Confederate States of America. Astron. 1. Section 1. All ignitiative powers have in delegated shall be vested in a Congress of the Confederate States, which shall consist of

a Fenale and Honse of Representatives Section 2

a Fenate and Hones of Representatives <u>Section 2</u> 1 The Hones of Representatives shall be composed of accesses chosen every second year by the people of the several Biaces; and the electors in each State shall be citi-zens of the Confederate states, and have the qualifications requisite for electors of the most numerous branch of the State Lagidature ; but no person of foreign birth hot s citi-zen of the Confederate states, and have the qualifications requisite for electors of the most numerous branch of the State Lagidature ; but no person of foreign birth hot s citi-zen of the Confederate states, and how hot shall not have attained the age of twenty-five years, and be a citizen of the Confederate States, and who shall not, when elected, be an inhabitant of that State is which he shall be chosen. 3. Pepresentatives and direct taxes shall be apportioned among the several States which may be included within this Confederate at States have be not be a citizen of years, and excluding indians not taxed, three-fiths of all slaves. The actual numeration shall be made within the shall be made your state of the confederate for all slaves. The actual numeration shall be made within the shall be made your states and the conserve for a line persons. The actual numeration shall be made within the shall be determined by adding to the whole number of free persons. Including indians not taxed, three-fiths of all slaves. The actual numeration shall be made within three heaves. The actual numeration shall be made within three shall be made within three houses of the Confederate of the four sectors of the four sectors of the four sectors for a fermion of presents. slaves. The actual conmeration shall be made within three years after the first meeting of the Congress of the Confederate States, and within every subsequent term of ten years, in such manner as they shall, by law, direct. The number of representatives shall not exceed one for every fifty thousand, but each State shall have at least one representative and until such enumeration shall be made the State of South Carolina shall be entitled to choose six, the State of Georgia ten, the State of Alabama nine, the State of Florida two, the State of Mississippi seven, the State of Louisiana

and the State of Texas six. When vacancies happen in the representation from any State, the Executive authority thereof shall issue writs of

5. The House of Representatives shall choose their Speak er and other officers, and shall have the sole power of im-peachment, except that any judicial or other federal officer resident and acting solely within the limits of any State, may be impeached by a vote of two thirds of b th branches of the Legislature thereof.

Section 3. 1. The Senate of the Confederate States shall be compose ed of two Senstors from each State, chosen for six years by the Legislature thereof, at the regular session next immediately preceding the commoncement of the term of service; and each Senstor shall have one vote,

 Immediately after they shall be assembled, in conse-quence of the first election, they shall be divided as equally as may be into three classes. The scats of the Senators of the first class shall be vacated at the expiration of the sec ond year ; of the second class at the expiration of the fourth year ; and of the 3d class at the expiration of the sixth year so that one-third may be chosen every second year; and i vacancies happen by resignation or otherwise during the recess of the Legislature of any State, the Executive there of may make temporary appointments until the next meet-

ing of the Legislature, which shall then fill such vacancies. 9. No person shall be a Senator who shall not have at tained the age of thirty years, and be a citizen of the Con-rederate States, and who shall not, when elected, be an in-habitant of the State for which he shall be chosen. 4. The Vice-President of the Confederate States shall be

President of the Sonate, but shall have no vote, unless they be equally divided.

5. The Senate shall choose their other officers, and also a President pro tempore in the absence of the Vice Presi-dent, or when he shall exercise the office of President of the Confederate States. The Senate shall have the sole power to try all impeachments. When sitting for that purpose, they shall be on oath or affirmation. When the President of the Confede-

on oath or affirmation. When the President of the Confede-rate States is tried, the Chief Justice shall preside; and n person shall be convicted without the concurrence of two-thirds of the members present. 7. Judgment in cases of impeachment shall not extend further timn to rem val from office, and disqualification to bold and enjoy any office of honor, trust or profit, under the content of the members of the merit convict of the members. Confederate States ; but the party convicted shall, never theless, be liable and subject to indictment, trial, judgment and punishment, according to law.

the several States, and with the Indian tribes; but neither |

the several States, and with the indian tribes; but neither this, nor any other clause contained in the Constinutor, shall ever be construct to delegate the power to Congress to appropriate money for any interval improvement infend-ed to facilitate icommerce, excerpt for the purpose of far-mishing lights, beacous and boots, and other able to mavi-gation upon the coasts, and the improvement of harbors and the removing of obstructions in river having allows, in all which cases such daives shall be laid on the assignation fa-divide thereby as may be provided to the institution of the additional thereby as may be provided to the institution of the set of the which cases such daives shall be laid on the assignation faeflitated theraby as may be meessary to pay the costs and expenses thereof.

4. To establish notiform laws of naturalisation, and uniform laws on the subject of backtuptoies, throughout the Confederate States; but no law of Congress shall declarge any debt contracted before the parameter of the sume.

any deht contracted before the parameter of the value 5. To doin inners, regulate the value fletsed and of for-elgn coin, and fix the standard of weights and managers. 6. To provide for the parameters of connertarily ag the securities and current coin of the Confederate states. 7. 19. Excessive ball shall not be required, nor excessive fines imposed, nor cruel and unusual purishments inflicted 20. Every law or resolution having the force of law, shall relate to but one subject, and that shall be expressed in the

Section 10,

1. No State shall enter into any treaty, alliance, or confederation; grant letters of marque and reprisal; coin money; make anything but gold and silver coin a tender in payment of debts; pass any bill of attainder, or ex post facto law, or law impairing the obligation of contracts; or

grant any title of nobility. 2. No State shall, without the consent of the Congress, 2. No State shall, without the consent of the Congress, lay any imposts or duties on insports and exports, except what may be absolutely necessary for exacuting its inspec-tion laws; and the nett produce of all duties and imposts, laid by any State on imports or exports, shall be for the use of the treasury of the Coulederate States; and all such laws shall be subject to the revision and control of Con-eress. gress

3. No State shall, without the consent of Congress, lay any duty of tonnage, except on sea going vessels, for the improvement of its rivers and harbors navigated by the said vessels; but such duties shall not conflict with any treates of the Confederate States with foreign nations; and any surplus of revenue thus derived shall, after making such improvement, be paid into the common bassury; nor shall any State keep troops or ships of war, in time of shall any state keep troops or ships of war, in time of shall any state keep troops or ships of war, in time of coasts, and any agreement or compact with another shall be proved, and the effect thereof. Section 2. But when any river divides of flow structures in a President of the Confederate States, they may enter into compacts with the Confederate States, they may enter into compacts with the Confederate States of America. He and the Vice President shall hot their offices for the training to the resident in a President of all the vocated in a President of the State shall be elected as follows:
The approximative of Senators and Representatives to which its State may be entitled in a hot Congress; but no Senator to the State of the State from which its State may be entitled in the Congress; but no Senator of Representative of Senators and Representatives to which the diverted on the State shall not be these form which the State may be entitled in the Congress; but no Senators and Representatives to which a difference on the security of the State from which the State from which the State from which the State may be entitled in the Congress; but no Senators and Representatives to which the difference in the State of the state from which the State from which the State from which the difference is the state of the state from which the first of the state from which the State from which the difference is the state of the state from which the first of the state first of the state of the state from which the first of the state from which the first of the state first of the state first of the state from which the first of the state from which the first of the state from which the first of the state first of the state from which the first of the state first of the state from which the first of the state first of the sta

law : but the Congress may, by law, vest the apprintment of such inferior officers, as they think proper, in the Presi dent alone, in the courts of law or in the heads of depart

sents. S. The principal officer in each of the executive depart-S. The trinsipal efficient is each of the executive departments, and all persons connects d with the diplomatic service, may be removed from officers the plenaure of the President. All other civil officers of the Executive Department may be removed at any time by the President, or other appendice, when their services are unneous easy, or for damages, when their services are unneous duct, or neglect of ducy; and when a removed, the removal shall be reported to the Secate, begether with the reasons therefore. AS BY Alam Alox) Acab llog mreior. Ashe

4. The President shall have power to fill all vacancles that may happen during the recents of the Sanate, by grant-ing communications which shall expire at the end of their pext session ; but no person rejected by the Sonate shall be re-appointed to the same office during their enaming recents Barti 17111 Bune Softon 3. 1. The President shall from time to time, give to the Con-

his greas information of the state of the Confideracy, and re-commend to their consideration such measures as he shall 112126 judge becomery and expedient; he may, on extraordinary occasions, convent both house; or sitter of them; and in case of disagreement between them, with respect to the arts. 3.1.19 142.44 time of adjournment, he may adjourn them to such time as he shall think proper; he shall reacive Ambasandora and here other public ministers; he shall take care that the laws be half holy except d, and shall commission all the offician of the Confederate S ates. Glevn

Section 4.

Tay 1. The President, Vice Pre-ident, and all civil officers of the Confederate States, shell be removed from office on im-peachment for, and conviction of treasen, bribery, or other Cumb 1.26 and mindemutions and mindemutions

ABTICLE II. Section 1. 1. The judicial power of the Confederate States that be vented in one Supreme Court, and in such interior courts as the Congress may from time to time ordain and egrab isb. FPRO The jodges, both of the 8 preme and inferior courts, shall bold their efficies during good behavior, and shall at stated times, receive for their services a compensation, which shall no be diminished during their confirmation in effice Gate Grea.

Section 2. 1. The judicial power susti excend to all cases arising under this constitution, the issue of the confederate States. and treating made or which shall be made under their an thority; to all cases all sting and assadors, ober public ministers and consult to all cases of dust a ty and mari-time jurisdic ion; to controversies to which the Confede-Tyde rate States shall be a part : to controv price between two Tinde race states shall be a pair i to controv rotes between two or more tales; botween a Shate and citizens of another State where the state is planning; botween cilizens claim-ing isnds under grants of different states, and between a State or the citizets threeof and foreign States, citizens of Johns Leno) subjects ; but no state shall be aved by a citizen or autifect Lince f an foreign state. 2. In all cases affecting embassalors, other public minis-

Madu ters and consols, and those in which a State shall be a party, the Sopreme Court shall have original jurisdiction .--MaDh n all the other cases before mentioned the Sapreme Court-shall have appellate jurisdiction, bold as to law and tact, Meck Mont with such exceptions and under such regulations as the MOOR Congress chall make.

3. The trial of all crimes, except in cases of impeachment, New shall be by jury, and each trial shall be held in the State where the said crimes shall have been committed; but when not committed within any State, the trial shall be at Onsle Oran such place or places as the Congress may by law have di-Pasq rected. Section 3.

1. Treason against the Confederate States shall consist Pitt. only in levying war against them, or in adhering to their enemies, giving them aid and comfort. No person shall be convicted of treason unles, on the testimony of two witnes-Kich sets to the same overt act, or on confession in open court. 2. The Congress shall have nower to declare the punishment of treason, but no attainder of treason shall work corruption of blood, or forfeitore except during the life of the Row Rath
