THE SOUTHERN HEPATIC PILLS.

THIS combination of m-dicines was first prepared by the proprietor in 1825, when he was pronounced by three minent physicians in a southern city, as in an advanced stage of Consumption. These Pills cured him. He is now over seventy five years of age and in discharge of active professional duties. Their good effects up in others oreated such a demand for them that he was compelled to de-

ted such a demand for them that he was compelled to desist from supplying them gratuitously.

They are nor recommended by the proprietor as good for all diseases, but only for such as arise from DISOR-DERS OF THE LIVER. Many persons have testified to their good effects in Chills and Fevers, Billous Fever, Pneumonia, Dyspepsia, &c., &c.

Read the following:

S. D WALLACE. Esq., Treasurer of the Wilmington and Weldon Rail Road, (Aug. 30, 1862,) says: "It has been said that "Dyspersia" is our national disease. However this may be, it caused me long and severe suffering. Providentially a friend furnished me with a few boxes of the "Hepatic Pills," and the use of them has perfected a cure. In my family they have been used frequently with eminent success. Almosg my acquaintances, many cases originating from diseased liver, have been relieved and cured by them.

I regard them an invaluable medicine, and take pleasure is forwarding this voluntary tribute."

Col. John Whight, of Goldsboro, N. C., (Aug. 14, 1862,) says: "I have used the Southern Bepatic Pills in my family here and also on my plantation in Alabama, and almay with success. I have a valuable servant girl who had bee i a long time under treatment for consumption, without receiving any benefit. Almost in ber extremity I was induced to try the Hepatic Pills. They were given according to directions, and she is now well, entirely restored by them. A similar case occurred ameng my servants in alabama. For liver and lung diseases I have perject confidence

Full directions and other certificates will be found on the

wrapper of each box.

The great rise in the price of medicines, compels the proprietor to put these pills at 50 cents a bex Two boxes will be sent by mail for one dollar. As it may soon not be possible to procure all the ingredients, it would be

From the prices above stated, a liberal discount will be made to dealers as long as the pills can be furnished.

By Z. B. Vance, Governor of North Carolina.

Whereas, information has reached me that certain persons, unmindful of the calls of patriotism, and forgetful of the duties of good citizens, are naing their ioffuence to prevent obedience to the law of Congless known has the Conscript Law, and that others are attempting to organize an open resistence to its execution; and whereas, such conduct being not only in direct violation of law, but also detrimental, in the highest degree, to the cause of our country, it becomes my sacred duty to prevent and repress the same by all the means in my power.

Now, therefore, I, Zebulon B Vance, Governor of North Carolina, do issue the my proclamation, warning all such persons to desist from such unpatriotic and criminal conduct: earnestly hoping that all who are disinclined to defend their homes themselves, either by reason of age, in-A Proclamation.

defend their homes themselves, either by re firmity or cowardice, will cease to dissuade those who are willing; and notifying positively all persons contemplating an armed resistance to the law, if there really be any such misguided and evil-disposed persons in our midst, that they will commit the crime of treason, according to Constitution, and must not expect to escape its penalties. Whilst cheerfully obeyed the law, and by their patriotic valor have driven the enemy back to the Potomac, it would be an in-tolerable our age upon them to permit others to evade the law, or worse still, to resist it by open violence. Let no one, therefore, be deceived, the law, will be enforced; and I appeal to all loyal and patriotic citizens to sustain those who are charged with its execution.

Given under my hand, and attested by the Great Seal of the State. Done at the City of Raleigh, the 18th day of September, 1862. ZEBULON B. VANCE.

By the Gevernor: R. H. BATTLE Jr., Private Secretary.
