THE SOUTHERN HEPATIC PILLS. THIS combination of medicines was first prepared by the proprietor in 1825, when he was pronounced by three eminent physicians in a southern city, as in an advanced stage of Consumption. These Pills cured him. He is now over seventy years of age and in discharge of active professional duties. Their good effects upon others created such a demand for them that he was compelled to desist from supplying them gratuitously.

They are not recommended by the proprietor as good for all diseases, but only for such as arise from DISORDERS OF THE LIVER. Many persons have testified to their good effects in Chills and Fevers, Bilious Fever, Pneumonia, Dyspepsia, &c., &c.

Read the following: S. D. WALLACE, Esq., Treasurer of the Wilmington and Weldon Rail Road, (Aug. 30, 1862,) says: "It has been said that 'Dyspepsia' is our national disease. However this may be, it caused me long and severe suffering. Providentially a friend furnished me with a few boxes of the 'Hepatic Pills,' and the use of them has perfected a cure. In my family they have been used frequently with eminent success. Among my acquaintances, many cases originating from diseased liver, have been relieved and cured by them. I regard them an invaluable medicine, and take pleasure in forwarding this voluntary tribute."

Col. JOHN WRIGHT, of Goldsboro, N. C., (Aug. 14, 1862,) says: "I have used the Southern Hepatic Pills in my family here and also on my plantation in Alabama, and always with success. I have a valuable servant girl who had been a long time under treatment for consumption, without receiving any benefit. Almost in her extremity I was induced to try the Hepatic Pills. They were given according to directions, and she is now well, entirely restored by them. A similar case occurred among my servants in Alabama. For liver and lung diseases I have perfect confidence in them."

Full directions and other certificates will be found on the wrapper of each box. The great rise in the price of medicines, compels the proprietor to put these pills at 50 cents a box. As it may soon not be possible to procure all the ingredients, it would be well for the afflicted to order them at once. From the prices above stated, a liberal discount will be made to dealers as long as the pills can be furnished. Address GEORGE W. DERRIS, Wilson, North Carolina. For sale in Wilmington, N. C., by Geo. H. Kelley and H. E. Perrin, Sept. 28th, 1862. 2-3m*
