EXECUTOR'S SALE OF REAL AND PERSONAL ESTATE.
THE UNDERSIGNED, EXECUTORS OF THE LAST will and testament of Rhodes N. Herndon, late of the County of Granville, and State of North Carolina, deceased, will, on the 17th day of March next, at the Court House door in the town of Oxford, sell to the highest bidder, for cash, the real estate, negroes, and perishable property belonging to the estate of the said deceased in said county of Granville. Said real estate consist of a grist mill and premises, several tracts of land lying within a convenient distance of said town, and the following property in said town, to wit: the Hotel, known as the Oxford Hotel; one or two store houses, several vacant lots, eligibly situated, and three or four other lots improved, having thereon neat and comfortable dwelling houses, out houses, &c. The mill is about three-fourths of a mile from said town and is of great value. It grinds both wheat and corn, and manufactures a very superior article of flour, and the custom to it is full and steady. The Hotel is situated in the centre of the town just opposite the Court House, and is capable of accommodating a large number of guests. It has been long established and liberally patronized, and is widely and favorably known. Amongst the improved lots, attention is especially invited to the one on which the deceased resided. It contains about fifteen or twenty acres, and has on it one of the most elegant and commodious mansions in the State, together with all necessary out-houses, which are conveniently arranged, and are also the other improvements about the grounds, in a style corresponding with that of the mansion house. There is also on the place a fine orchard, and in every respect the situation is an exceedingly desirable one. Of the tracts of land, the one known as the HESTER plantation, is deemed to be particularly valuable. It is six miles from the town of Oxford, and contains about nine hundred acres of which nearly one-half, (mostly fresh land) is in cultivation, and the residue is in original forest. The soil is good and well adapted to the production of corn, wheat and tobacco. There is on the plantation a good dwelling house, with all such barns, stables, negro houses, and other out-buildings as are necessary and suitable, and also a large apple and peach orchard.

The negroes are about sixty in number, and amongst them are some very valuable house-servants, seamstresses, field hands, mechanics, and also an experienced miller. The perishable property consists of stock of different kinds, house-hold and kitchen furniture, wagons and gear, farming utensils, corn, flour, bacon, and a great variety of things too tedious to mention.

Should the weather be too bad on the day above designated, the sale will take place on the next fair day thereafter, and, when commenced, will be continued from day to day till completed.

Further particulars will be made known on the day of sale, and can be obtained in the meantime, by application to the undersigned, or to any one of them.

VALUABLE REAL ESTATE FOR SALE.
THE SUBSCRIBER OFFERS FOR SALE HIS PLANTATION in Sampson county, nine miles South of Clinton, lying on Crane Creek and Buckhorn Swamp, containing between five and six hundred acres.
The buildings are all nearly new and can accommodate a small white family and quite a large number of Negroes. The location is healthy and surrounded by most excellent neighbors. A large portion of the land has been recently cleared, and much of it rich mud land. The high land is naturally a strong soil and susceptible of high improvement, and is well adapted to the growth of Corn, Cotton and Wheat.
The Creeks are never-failing, and will afford water at all seasons for large mills.
It is unnecessary to particularize, as personal inspection will be made by those interested.
If desired, I will sell to the purchaser my stock and farming implements.
I will give possession immediately, that the present crop may be raised, for which the usual preparations are in progress.
Address the undersigned, Clinton, N. C.
