VALUABLE COAL AND IRON PROPERTY, NINE HUNDRED AND EIGHTY SEVEN AND A HALF ACRES, BY VIRTUE OF A WRIT made in the Confederate State Court, for the District of North Carolina, at its last November Term at Goldsboro', I shall sell, on Tuesday, 12th day of May next, at the Court House door, in the Town of Pittsboro', county of Chatham, and State of North Carolina, at public Auction, all of John Taylor's interest in a tract of land lying on Deep River, in said county and State, just opposite the well known Egypt Mine, containing nine hundred and eighty-seven and a half acres, and a tract of land in the heart of the Deep River Coal basin, and is underlaid with Coal and Iron ores. A slope has been opened on the property, and the mines have been ascertained to be rich in oil.
The interest of said Taylor in the property is the legal estate, liable, however, to be departed by the payment of eighty thousand Dollars by the Deep River Coal and Iron Company, with interest thereon from Jan. 1st, 1860, and secured by a mortgage on the land. The purchaser and his heirs will succeed to Taylor in all his rights under the mortgage deed.
Persons wishing any further information, can obtain it by applying to Judge J. W. W. W. Receiver, Pittsboro', N. C. Terms of sale one-third upon the confirmation of the sale by the Court, one-third in three, and the remaining third in six months thereafter. Purchasers giving bonds with approved security, and title retained until the whole of the purchase money is paid.
I shall sell at the same time and place, thirty-four hundred and eighty shares of stock in the Deep River Coal and Iron Company, formerly the property of John Taylor, E. Seymour and C. W. Goddard.
Terms—cash.

VALUABLE REAL ESTATE FOR SALE.

THE SUBSCRIBER OFFERS FOR SALE HIS PLANTATION in Sampson county, nine miles South of Clinton, lying on Crane Creek and Buckhorn Swamp, containing between five and six hundred acres.
The buildings are all nearly new and can accommodate a small white family and quite a large number of Negroes. The location is healthy and surrounded by most excellent neighbors. A large portion of the land has been recently cleared, and much of it rich mud land. The high land is naturally strong soil and susceptible of high improvement, and is well adapted to the growth of Corn, Cotton and Wheat.
The Creeks are never-failing, and will afford water at all seasons for large mills.
It is unnecessary to particularize, as personal inspection will be made by those interested.
If desired, I will sell to the purchaser my stock and farming implements.
I will give possession immediately, but the present crop may be raised, for which the usual preparations are in progress.
Address the undersigned, Clinton, N. C.
