The Beautiful Lucille Western says:

I find that the "Email" produces all the brilliancy of rouge and illy white, with the great and

I have suffered so much from the various white lotions, &c., which my theatrical profession obliges me to use, that I consider it a perfect benefaction to find a preparation which gives the necessary whiteness to the skin, and leaves the skin cool

and smooth.

Miss Maggie Mitchell says:

I have tried the skin beautifier, "L'Email de Paris," and found that it instantly imparts a natural bloom and freshness to the complexion.

"Jared's Email de Paris" is used as a delicate beautifier of the skin for Theatre, Saloon or Ball Room, by the most refined and scrupulous ladies; producing all the beautifying effects of rouge and blow white without their valers relate or injury to illy white, without their vulgar glare or injury to
