A. & S. WITCOVER,

"Can I better provide for my Family, than by spending a small portion of my income for a Policy on my Life !"

30,000 Persons have Insured in the

ETNA LIFE INSURANCE CO.

OF HARTFORD, CONN., And others are Daily Applying. THE principle of LIFE INSURANCE has become so well demonstrated, that it is hardly necessary at this day to go into an argument in its support. Every individual who has a family or dear ones dependent upon his existence, is in fact, overlooking, if not violating, one of the most important duties of life, in not guarding them against want, and protecting them from poverty, should death deprive them of his support and assistance.
On an INSURANCE POLICY, procured at a small premium, a requisite sum is secured in case of death, to provide them with subsistence through life. Securing such a policy not only makes life pass more pleasantly, but will bring to the death-bed the happy consolation that your wife and children will not be left destitute, or to THE COLD, CHEEKLESS SYMPATHY OF AN UNCHARITA-

BLE WORLD. To those whose good impulses are moved to this accomplishment for their family's future protection, THE ÆTNA LIFE INSURANCE CO.

is most cordially recommended for the carrying out of these desires. The Company has been in existence for FORTY EIGHT years, and now, with a Capital of over \$4,500,000 00

stands as one of the solid monetary institutions of the nation and offers positively the best induce-ments for LIFE INSURANCE in the world. Over five hundred risks have been taken in the last twelve months upon the most influential citizens of North Carolina. Out of this number four have died, making \$23,000 in cash paid over promptly to survivors; and but for this forethought and ACTION not one dollar would have been left of their estates for the benefit of their

bereaved loved ones. After the 2nd year 50 per cent, Dividends is paid to Policy holders every year during Life,

and at death the Policy is paid to survivors. Risks on ages from 14 to 65 years are taken for a term of years or the WHOLE TERM OF LIFE BOOTS, SHOES, GAITERS AND SLIPPERS, on amounts from \$1,000 to \$10,000, and the rates are regulated according to age, THIS PROVI-SION CANNOT BE TAKEN FOR DEBT, BUT GOES TO THE FAMILY OR OTHER DEPEND-ENTS FOR THEIR SPECIAL USE AND SUP-PORT. Nothing can possibly be gained by delay in this duty and much may be lost. Of two courses, one of which may leave your family or depend-ent friends destitute, and the other ASSURES them a comfortable support at your decease; can there be a doubt which is to be chosen? Every one knows that if the pressure of the times bears hard upon a man in the fulness of his strength, it will be far more severe upon a woman and children left at such a conjuncture as this without resources or protector, and it is easier for a man to pay his premium than for his family to live without his aid and without means.

> now extends the invitation to every one, rich and poor, to avail himself of the advantages offered by one of the LARGEST, SAFEST, BEST, CHEAP-EST AND MOST POPULAR AND RELIABLE COMPANIES IN THE WORLD. JOHN E. SPEARMAN, Agent, Market Street, between 2d and 3d.
