ROSADALIS WILL CURE THE WORST CASES OF SCROFULA. READ THE STATEMENT BELOW

Wilson County, Sept. 10th, 1867.

Dr. J. J. Lawrence:

Dear Sir—My youngest daughter, aged five years, has been dreadfully sufficted with Scrofula nearly all her life. I tried a great many Physicians, but without relieving her much; in fact, most of them said there was no hope of cure.—During the last Spring she was worse than ever, her body and limits being covered with sores and blotches—with face and eyes badly ulcerated and swollen. Whilst in this condition, I was advised by Dr. L. A. Stith to try your flosadalis. I at once procured three bottles, and commenced giving it to her. The effect was magical. In less than a month, to my great astonishment, she was entirely well.

I am, sir,

Yours, with much respect and gratitude. W. W. BURNETT.

ROSADALIS OURES ALL SKIN DISEASES. Wilson, N. C., Sept. 15, 1867.

Du, Lawrence—Dear Sir:—In 1862 my son, now aged five years, was vaccinated with what proved to be impure matter, which completely destroyed his health. He has been afflicted with an inveterate and extremely troublesome Eruption of the Skin, sometimes breaking out in sores, &c. Bosadalis was prescribed by my family physician—Dr. A. D. Moore. After taking it a few weeks, my son became and remains entirely well.

Yours truly,
