Recumatism and Goud, often dependent on the accumulations of entrancous matters in the blood, have their remedy also in this medicine. For Liver Complaints, torquidity, inflammation, aboess, etc., caused by ranking poisons in the blood, we unhealtaingly recommend the Sursapprilla.

This medicine restores health and vigor where no specific disease can be distinguished. Its restorative power is soon felt by those who are Laupnied, Listless, Despondent, Steepless, and filled with Nerrous Apprehensions or Feurs, or who are troubled with any other of those affections symptomatic of weakness. Many, after taking it for General Debillity, have written us of the youthful vigor impatted to their nerrous system, which seemed buoyant with that prolific life they thought had departed on the advance of age. VERMIFUGE

HOLLOWAY'S

CONFECTIONS Dil. HOLLOWAY, some 15 years ago, witnessing the distress occasioned sickly children in taking the nauseous vermifuges of that day, resolved to analyze them, and from the most effective of these remedies succeeded in separating their active medical properties, pure, tasteless and inodorous. Then by combining those with sugar, and moulding them into an agreeable confection, formed the present reputal and EFFECTIVE VERMIFUGE KNOWN AS

Holloway's Vermifuge Confections which have almost entirely superseded the old nauseons Vermifuges, to the delight of the poor little sufferers. It contains no Calomel or other little sufferers. It contains no Calomei or other poisonous ingredients.

So highly esteemed is this popular Vermifuge, by the profession, that all intelligent physicians who know of them, prescribe them in preference to other remedies, as not only more pleasant to take, but more effective to cure.

Parents and guardians having the care of children, should keep them as a family medicine; for they not only cradicate Worms—those posts of childhood—but they correct any derangement of ha dicastive organs, so prevalent with children.

Its effect is astonishing; in a few days the soroness and irritation is removed, the skin becomes smooth and healthy, and remains permanently healed, without the use of any other remedy.
