BALEIOH, Oct. 20, 1871. day after probably the most successful libition since the war. In many departmisthers was great deficiency, but when consider the condition of the country and the poverty of the people, there are arely ne grounds for fault-finding.

ide of the immediate objects of the Fair, and its delightful social features, the Indian ball-players have been the centre of the chiefest attraction. Xesterday they gave us their game again, and I am satis led that nearly ten thousand spectators were in attendance. To-day we had a foot race from some balf dez n, around the track, a distance of half a mile. The winner made it in two minutes and fifteen sonds. I am glad to say that I have cost concluded arrangements for them to visit our Fair. Our negotiations will conclude to-morrow.

It is said that the crowd in attendance on Thursday was greater than ever before in the history of the Society. The address is convoked. of Mr. Norwood was listened to by as many as could get within the range of his voice. His effort is spoken of as marked with ability and good practical sense. It will, of course, be published.

I am glad to say that our fellow-citizen, Mr. A. Oldham, took premiums in all the articles he had on exhibition. It seems to be a way he has. The indefatigable Auderson, with his many machines, was on hand, and his enclosure was one of the chiefest attractions of Floral Hall, I never visited that Hall without seeing around him an interested crowd of ladies who were not more pleased with the wonderful delphia on December 13th. performances of his machines than with the urbane skilfulness of Mr. A. I trust his visit was profitable as well as agreeable. Among the exhibitors, I noticed Mr. Peter E. Smith, the Vice President, from Halifax, of the Cape Fear Agricultural Association, whose "Common Sense Planter" claimed the attention of all those interested in Agricultural machinery. Market Description of their Won-DR. WALKER'S CALIFORNIA

MILLIONS Bear Testimony to theh Wonderful Curative Effects. They are not a vile Fancy Drink, made of Pour Rum, Whiskey, Proof Spirits and Refuse Li. seers doctored, spiced and sweetened to picase the taste, called "Tonics," "Appetizers," "Restorers, &c., that lead the tippler on to drunkenness and ruin, but are atrue Medicine, made from the Native Roots and Herbs of Calfornia, free frem all Alcoholic Stimulants.

They are the GREAT BLOOD PURIFIER and A LIPE GIVING PRINCIPLE, a perfect Renovation. A LIPS GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying of nil poissnous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are; not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair. They are a Gontle Paryative as well as a Teale, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion of Inflammation of the Liver, and all the Viscoral Organs

FOR FEMALE COMPLAINTS, in young or old, married or single, as the dawn of womanhood or as

old, married orangle, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. For Inflammatory and Chronic Rhenma-tism and Gout, Dyspepsia or Indigestion, Bil-ious, Remittent and Intermittent (Fevers, Discusses of the Blood, Liver, Kidneys and Bindder, these Bitters have been most successful. Such Diseases are caused by Villuted Blood, which is generally produced by derangement of the Diseasetive Organs.

DYSPEPSIA OR INDIGESTION, Headache.

Pain in the Shoulders.Coughs, Tightness of the Chest. Dizziness, Sour Eructations of the Stomach, flad Taste in the Mouth, Billious Attacks, Paintration of the Be Inflammation of the Lungs, Pain in the regions of the Ridneys, and a hundred other pamful symptoms, are the

Chaptings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleanating the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SK IN DISEANES, Eruptions, Tetter, Salt Bloom, Butther Steep, Prompts Parting Botte, Care. Rheum, Biotches, Spots, Pimpies, Pastules, Boils, Car-buncles, Hing-Worms, Scald Hoad, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Dis-cases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by he use of these Bitters. One bottle in such cases will convince, the most incredulous of their curative effects. Cleanse the Vittated Blood whenever you find its im-purities bursting through the skin in Pimples, Erup-tions or Seres; cleanse it when you find it obstructed and sloggish in the veins; cleanes it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Plu, Tape, and other Worms, lurking in the

system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monaters of disease. No System of Medicine, no verminges, no antheiminties, will free the system from worms like these Bitters. J. WALKER, Proprietor. B. H. McDONALD & CO., Druggists and Gen.
