DISASTERS AT SEA REPORTED.

BOXES FOR THE MEMPHIS SUFF-
FRERS AT THE POLLING
BOOTH.

New York, Nov. 4.—Noon.—There were rumors to-day affecting one of the National Banks, but the President of the Clearing House states that he personally examined the books of the bank in question, and that there was no reason for anxiety as to its meeting its liabilities. The banks will sustain one another, and not allow any new causes for trouble to exercise a bad effect, so far as any of their number is concerned.

An Italian woman, named Balocini, living in East Newark, N. J., was yesterday hanged to death by a bear, which she and her husband used for street exhibition. The animal rose and trampled upon the woman until her whole body was crushed, the bones, in many places, protruding through the skin.

The Clearing House has examined the affairs of the Central National Bank. The depositors are secure to the amount of \$720,000. The difficulty was caused by the shrinkage of collateral.

New York, Nov. 4.—Night.—Louis Gaylord Clark died at his residence at Piermont, on the Hudson, last night, after a sickness of only a few hours, resulting from a paralytic stroke. Mr. Clark was the editor of the Knickerbocker Magazine from 1852 until it ceased to exist, and was subsequently engaged in the New York Custom House, frequently contributing, however, to literary periodicals. Mr. Clark's home at Piermont was the gift of his associates on the Knickerbocker.

New York, Nov. 4.—Night.—The brig Emma, from Cienfuegos, reports that on October 28th, in lat. 23-40, long. 80, she experienced a fearful hurricane, and on the 6th saw several disabled vessels. One ship, apparently dismasted, but she could not get near enough to speak to her. Since then she has had continued northeast gales.

There were boxes for the Memphis sufferers at every polling booth in the city, and a good deal of currency was deposited, especially at the east side and up-town districts.

Everything was quiet at the headquarters of the Bricklayer's Union this morning. It is said that the men have resumed work.

It is reported that the contractors have decided not to put the reduction of wages into force for the present. It is said that there is no general disposition on the part of the masons to strike.

TENNESSEE.

THE RAILROAD TROUBLES.

GREAT INCONVENIENCE TO THE
MERCHANTS.

Cincinnati, November 4.—Noon.—A special dispatch to the Commercial, from Knoxville, Tennessee, says that the strike of the engineers on the East Tennessee, Virginia and Georgia Railroad threatens to assume a serious character. Some of the employes yesterday prevented a freight train from leaving by uncoupling the cars. The night passenger train and all the freight trains have been discontinued.

Col. Baxter, Attorney of the Company, addressed the employes this morning, explaining to them the trouble they are subjecting themselves to, and advising a non-interference with the operations of the road.

Knoxville, November 4.—Night.—The trouble on the East Tennessee, Virginia and Georgia Railroad is unadjusted. The men will not allow the freight trains to move, and no freight has been carried over the road since Friday. The mail trains run regularly. A general inconvenience has been caused to the merchants by their inability to receive and ship goods. Several thousand bales of cotton have been lying there for four days.

MACMAHON'S TERM.

ALLOE.

RELEASE OF THE PRUSSIAN
ARRESTED BY THE IN-
SURGENTS.

LONDON, Nov. 4.—Noon.—There was a collision on the Midland Railroad, by which twenty persons were seriously hurt.

PARIS, Nov. 4.—Noon.—President MacMahon, to-day received delegations from all sections of the Right. It is believed that after the prolongation of the President's powers has been voted upon, the Ministry will be reconstructed. A series of strongly Conservative measures will be introduced in the Assembly. The Deputies of the entire Left have agreed to question the government in regard to its participating in the intrigues of Monarchical coalition. It is said that Count de Chambord has received a congratulatory letter from the Pope.

PARIS, Nov. 4.—Night.—It is reported that the Government has recalled the French Consul at Cartagena.

The Left at a meeting to-day resolved to introduce an amendment to a motion for the prolongation of President MacMahon's term of office, requiring a definite recognition of the Republic. The Extremists and some Deputies of the Centre are in favor of referring the motion to the committee on Constitutional Laws.

The Bonapartists to-day held a caucus. They resolved to introduce a motion in the Assembly for a plebiscite on the form of Government and decided to make no alliance with the Right or Left.

ROME, Nov. 4.—Night.—A decree has been promulgated for the expatriation of four more Convents in this city.

MADRID, Nov. 4.—Night.—Gaudin, the Prussian subject who was arrested by the Cartagena insurgents on the charge of being a spy from Madrid, has been released.

LONDON, November 4.—Night.—A steamship has arrived here from Australia with 449,000 in bullion, nearly all of which is for shipment to America.

The Spanish steamship Marillo, which was seized at Dover for running into and sinking the emigrant ship Northfield, has been condemned and will be sold to-morrow.

An explosion occurred this morning in the fire works factory at Lambeth, while the employes were at work, causing a lamentable loss of life. Eight persons were instantly killed and a number injured.

THE GREAT WEST.

DEPREDATIONS BY THE INDIANS

St. Louis, November 4.—Night.—A dispatch from Fort Gibson, Indian Territory, says that Choctaw, an Indian prisoner in the hands of Deputy Marshalls Wilson and Ayers, shot those gentlemen, at Creek Agency, on Sunday last, mortally wounding the former, and badly wounding the latter. He also shot Perry Duval, one of the guards. The murderer was subsequently shot and mortally wounded by a Creek Indian guard.

ELECTRICISMS.

Noted horsemen and fine stock, and running and trotting horses from different sections of the country are arriving at Columbia, S. C., to contend for the liberal purses offered for speed during the approaching Fair from November 11th to the 14th. The track is regarded the best in America.

Col. D. H. Badgley, United States Collector for the District of Sedalia, Mo., was brought to that city yesterday under arrest on the charge of embezzlement and will have an examination to-day.

The Savings Banks at Concord, N. H., yesterday determined to pay no depositors till January 1st.

VIRGINIA.

RICHMOND, Nov. 4.—Night.—The election in this city passed off very quietly, the polls at all the precincts closing without any disturbance, and all this in the face of numerous sensational rumors in wild circulation on the streets last evening. These rumors went so far as to state that the military had been ordered under arms during to-day; but on inquiry at the Chief Executive Headquarters it turned out that no orders had been issued to the military, nor was any disturbance apprehended. The voting on the part of the whites has been full, but on the part of the negroes it was not so good. Some leading Republicans here concede the election of Kemper by 15,000 to 20,000 majority. No returns yet from the city precincts, but the indications are that Kemper's majority will be not less than 500 in Richmond.

RICHMOND—Returns from 19 out of 21 precincts in this city show the first estimates as to the Conservative majority to be largely below. The official returns from the precincts give Kemper over 1,740 majority. The remaining two precincts will not reduce these figures more than 200. Grant carried the city by 212 majority.

Norfolk gives a Conservative gain of over 800. Similar gains of 400 are reported from Petersburg.

Danville, Stanton, Winchester and other cities give additional Conservative gains.

Partial returns from thirty counties indicate that the State has gone Conservative by a large increase over Walker's majority in 1869, which was over 18,000.

NEW YORK.

New York, Nov. 4.—Night.—The earliest election returns from the interior of the State indicate a Democratic victory. New York City gives the Democrats 30,000 majority.

BUFFALO, Nov. 4.—Night.—The indications favor the Democrats.

NEW YORK, Nov. 4.—Night.—The county Tammany ticket is conceded to be elected. The contest is existing only in the Assembly and Senate districts. Tom Murphy and Collector Arthen, are said to have charged Sheridan Shook and Commissioner Vannort and two other representative Republicans with deserting the combination ticket and giving their support to William Walsh, for County Clerk, against the Republicans and the Apollo Hall candidate, Jacob M. Patterson. Murphy in retaliation, is reported as threatening to call off his Republican voters from the McCool combination candidate for Sheriff, and he in turn is said to be urging his followers to defeat Murphy's plans and to vote for Walsh.

The fight in some of the Senate and Assembly districts is bitter. Some of the Tammany inspectors have been arrested and Apollo Hall Democrats substituted. This is in the interest of the combination. Put few fights have occurred.

It is claimed that this city has gone Tammany Democratic by from 15,000 to 20,000 majority. If the latter figures prove correct there is not much doubt but that the State has gone Democratic by from 2,000 to 5,000 majority. The election of S. B. Cox, to Congress, is conceded.

The returns from Brooklyn indicate that Hunter, Democratic candidate for Mayor, has been elected, and the Democratic majority, in that city for Secretary of State, will probably reach 5,000.

The returns from 57 districts, in various parts of the State, show on the vote for Secretary of State a Democratic net gain as compared with the vote of 1871, of 938. The Republican majority in these districts is 1,675.

Seventy-five additional districts and towns give a Republican majority of 2,980. Democratic gain—net gain—2,300.

Thirty two additional districts of the State show a Democratic gain of 376. This shows a Democratic gain of 1,314 in eighty-nine districts.

SCHENECTADY, N. Y., November 4.—Night.—The returns from this county are complete. Republican majority 187.

Connor, Tammany candidate for Sheriff, is elected by about 2,500 majority; Walsh, County Clerk, by 1,200.

The returns from one hundred and eighty-two interior towns show a Republican majority of 5,229. Net Democratic gain 5,108.

POUGHKEEPSIE, November 4.—This place gives a Democratic majority of 87; a gain of 886.

ALBANY, November 5.—This county gives a Democratic majority of 1,000. Returns from Monroe county give a Democratic gain of 97.

I. A. M.—Three hundred and eighty-four towns and ten counties outside of New York show a net Republican majority of 13,201. net Democratic gain of 16,139 over the vote of 1871.

HEADQUARTERS.

THE PRESIDENT TO GO TO
VIRGINIA.

THE SOUTHERN CLAIMS COM-
MISSION.

WASHINGTON, Nov. 4.—Night.—The President, all of the members of the Cabinet, General Sherman and one or two invited guests will leave here on Thursday morning to attend the London County Fair at Leodberg, where they will be the guests of Col. Fairfax. They will return on Thursday evening.

The Southern Claims Commission will, on or about the middle of December, report to Congress on twenty-five hundred claims, three being three or four hundred more than last year. The amount involved is upward of \$1,000,000, the former award being about \$300,000. At least one-third of the claims have been disallowed, owing to the law which requires proof of continuous loyalty. Congress, at a late session, extended the term of the Commission four years from the 10th of March last, but prohibited any further petitions from being presented and filed, declaring claims not presented before that time shall be deemed to be barred forever.

It is understood that many claimants thus excluded intend to avail themselves of the constitutional right of petition. Their petitions will be referred to the Committee on Claims and will, it is thought, ultimately find their way to the Commission. Dealing the 25,000 claims to be reported on there yet remain about 30,000 on hand to be adjudicated. There is much dissatisfaction on account of cutting down the amounts respectively claimed, but in every case the Commissioners have made a written report for the information of Congress and claimants. The United States and Mexican Commission have acted on the 306 cases presented by Mexico, claiming indemnity to the amount of \$26,000,000, on account of Indian raids into Mexico. The Commissioners disagreeing on these claims the question will be submitted to Sir Edward Thornton, the umpire.

NEW JERSEY.
Burlington, Nov. 4.—The Republicans elected an Assembly man from the first district by 15 majority.

Monmouth.—The Democrats have elected the entire county ticket.

CAPE MAY.—The Republicans have elected Learning, Republican, to the Senate, by 415 majority.

TOWNE.—Four of the largest towns in Ocean county have been heard from which give very large Democratic gains.

TRENTON.—The estimate here is that the Republicans have 14 Senators and the Democrats 7. The Republicans have 47 members of the Lower House, and the Democrats 33.

MASSACHUSETTS.
Boston, Nov. 4.—The city, except three wards, gives Grant 1,500 plurality.

Lowell, Nov. 4.—Washburne 1,584; Grant 2,170.

Worcester, Nov. 4.—Washburne 2,162; Grant 3,780. Worcester also elects a Democratic Senator and members of the House.

The vote of 183 cities and towns gives Washburne 38,023, and Grant 30,947. Last year the same towns gave Washburne 40,160 and Bird 24,119. It is estimated that Washburne's majority has been reduced fully one half.

Charles Hale has been elected to the Legislature from Boston by a large majority.

The House is probably three-fourths Republican; the Senate 2 to 1 opposed to the prohibitory liquor law.

MISSOURI.

MILWAUKEE, Nov. 4.—Night.—Six wards of this city give 9,934 majority. It is estimated that the Democratic majority in the city will be 5,000. The returns show heavy Democratic gains over two years ago.

MINNESOTA.
The returns are meagre, but point to the election of the entire Republican ticket.

MARYLAND.
BALTIMORE.—The Democrats have carried the city by 1,400 majority.

ILLINOIS.
CHICAGO.—The People's ticket beats the law and order ticket from 4,000 to 7,000 and elects 12 out of 20 Aldermen. The chief issue was the Sunday liquor law, which will doubtless be repealed.

The returns from the State show a large farmer's vote.

MICHIGAN.
DETROIT.—The Democrats elect a Police Judge. The balance of the ticket is Republican.

The fifth Congressional District is doubtful. The Republicans lose largely.

WISCONSIN.
MILWAUKEE.—Returns are complete. Democratic majority 6,900; majority in the county estimated at 800.

The Sentinel, Washburn's organ, estimates from the way returns come in that Taylor will carry the State by 5,000. Prominent Republicans concede Washburn's defeat.

In the towns representing a total vote of 2,900, Taylor's gain is 2,400, exclusive of Milwaukee, where he gains 3,000.
