New York, Jan. 9.—Noon — Mayor Wickham presides on Monday night at the Louisians indignation demonthe rebellion was inaugurated and the country forced into a war by the failure of the Government to protect its forts and officers, hereby testify our approval of the prompt action of the Government in the late case of the Legislature of Louisiana.

RICHMOND, Va., Jan. 9-Night— The following resolutions were intro-duced in the State Benate to-day: Resolved, by the General Assembly

of the Commonwealth of Virginia, That the Governors of the States comprising the United States of America, se, and they are hereby earnestly requested to convene, as soon as practicable, the Legislatures of their respective States, in order that the States may consult together and advise with each other respecting the late interference of the Army of the United States with the Legislature of the State of Louisiana, and determine, simultaneously and promptly, what is necessary to defend and preserve the independence and authority of the

An animated and prolonged discusan animated and protonged discussion ensued, in which the spirit of moderation predominated, leading Benators opposing Virginia taking the initiatory movement as a State, in this grave matter. It was the general opinion, however, that Virginia should give expressions of a sentiment through her Legislature in favor of a protest against the action of the general government in relation to Louisiana and an appeal to the American people for redress, and also to express the deep and lasting sympathy of the people of Virginia with the people of their sister State of Louisana.

At the conclusion of the discussion the whole matter was laid over and made sp cial order for Tuesday at 1

HEADQUARTERS MILITARY DIVISION OF MISSOURI, NEW ORLEANS, LA., Jan. 8, 1875. To Hon. W. W. Belknap, Secretary

of War, Washington, D. C .: I have the honor to submit the following brief report of affairs as they occurred here in the organization of the State Legislature on January 4th, 1875. I was not in command of this 1875. I was not in command of this military department until 9 o'clock at night on the 4th instant, but I fully endorse and am willing to be held responsible for the acts of the military order and enable the legally returned as conservators of the public peace members of the House to proceed with upon that day. During the few days in which I was in the city prior to the This request was reasonable and in 4th of January, the general topic of accordance with law. Remembering conversation was the scenes of blood-shed that were liable to occur on that took place in this city on the assenday, and I repeatedly heard threats of bling of the Constitutional Convengrets expressed that he was not killed tute and believing that the lives of on the 14th of December last; also the members of the Legislature we threats of the assassination of Repub- or would be endangered in case an lican members of the House in order organization under the law was atto secure the election of a Democratic tempted, the posse was furnished Speaker. In order to preserve the peace and to make the State House safe for the peaceable assembling of the Legislature, Gen. Wiltz had been selected as the Democratic sommes for Speaker, in canous, and Mr. My-chael Hahn as the Republican nomi-nes. Vigers had not finished sunouncing the result, when one of the members, Mr. Billican, of Lafourche, nom-inated Mr. L. A. Wiltz for temporary speaker. Vigers promptly declared the motion out of order at that time, when some one put the question, and amid the cheers of the Democratic FISH, BRISTOW AND JEWELL, side of the House, Mr. Wiltz dashed on to the rostrum, pushed aside M.: V.gers, seized the Speaker's chair and

gavel and declared himself Speaker. A protest against the arbitrary and unlawful proceeding was promptly made by the members of the majority, but Willz paid no attention to this protest, and upon a motion from some one on the Democratic side of some one on the Democratic side of Livingston, Ala., Jan. 9.—Noon—the H use declared one tresevant Messes, Albright and Buckner, of the nominated and elected Clerk of the Alabama Investigating Committee, House. Notwithstanding the suddenness of this movement the leading Re-publican members had not failed to protest again and again against this without warrant, imprisoned, and subrevolutionary action of the minority, but all to no purpose, and many of the Republicans rose and left the house in a body, together with the Clerk, Mr. Vigers, who carried with him the original roll of the House as returned by the excitement was now very great. The Acting Speaker directed the Ser-

Our member from the Parish of Orleans, moved that the military power of the General Government be invoked to preserve the peace, and that a committee be appointed to wait upon Gen. De Trobriand, the commanding officer of the United Sta es troops stationed at the State House, and request his assistance in clearing the l bby. The motion was adopted. A committee of five, of which Mr. Dupre was made Chairman, was sent to wait upon Gen. De frobriand, and soon returned with that officer, who was accompanied by two of his staff officers. As Gen. De Trobriand walked down to the Speaker's desk, loud applause burst from

the Democratic side of the House. Gen. De Trobriand asked the Actng Speaker if it was not possible for him to preserve order without appea!ing to him as a United States army officer. Mr. Wiltz said it was not. Whereupon the General proceeded to the lobby, and, addressing a few words to the crowd, peace was at once re-

stored. On motion of Mr. Dupre, Mr. Wiltz then, in the name of the General Asinterference in behalf of law and order and the General withdrew.

The Republicans had now generally withdrawn from the hall and united in signing a petition to the Governor, stating their grievances and asking his sid, which petition, signed by 52 legally returned members of the House, is in my possession.

Immediately subsequent to the action of Mr. Wiltz in electing the Clerk of the old House, Mr. Billien moved that two gentlemen from the parish of De Soto, one from Urim, one from Bienville and one from Iberia, who had not been returned by the Returning Board, be sworn in as members, and they were accordingly sworn in by Mr. Wiltz and took seats upon the floor as Members of the
