Walle this enterprise is not conducted under the direct anspices of any Lodge, yet its object is to ald that noble institution, the Oxford tappear asylum, which was established by the Grand Lodge of the State, and the management is cutricty in the hands of members of the Order.

The object is exclusively for the benefit of the Organ Asylum, and the Committee deem sunnecessary to make any extended appeal to the people of North Carolina in behalf of an institution which is so werthy of their support. The low price of the tikes places it in the power of every one to aid a noble cause, and at the same time the chances of being reimbursed are unusually favorable.
