A woman living near the Richard Mine, in Morris county, N. J., lost by It ought to be stricken out. the burning of the emigrant ship Cospatrick, eight brothers, two sisters and her mother, besides several other near relations.

William Barry, second low comedian of the California Theatre, died recently of low spirits, induced by the reded to him by Raymoud and Williamson, when they were first low comedians at the theatre.

The Orleans Princes are selling a good deal of their real estate on French soil; according to some, this betokens scare inspired by the prospects of another Empire. The Empire which ended at Sedan confiscated the estates freeman, which requires that the of the ex-royal family, and held them until a vote of the Versailles rurals restored them, with the interest accrued thereon, in 1874.

The accident on the Southern Railroad of Long Island is a novelty in railway disasters. The road had sunk so that the boiler of the engine in passing over it come in contact with the water with which the track was covered. The sudden contact between the cold water and the heated surface of the boiler cracked the latter, and an explosion immediately followed.

tion of government. If we are right in this view, the 37th clause, which we have quoted, means that the people have a right of the Archbishop of Canterbury, and revolution. Inasmuch as no man in one some time ago by the Bishop of this land can deny the proposition, it is utterly senseless, and unworthy of a place in a Constitution of Government.

Suppose this clause to stand, and section 4 to stand, which said section declares that all attempts to dissolve the Union "ought to be resisted with the whole power of the State," and the people in the exercise of the right tions alone, can have nothing to fear, of revolution should, with one will, They only need to tremble whose Orphan Asylum. fusal of Robert Pateman to allow him use the power which "remains with the part of the First Grave Digger the people," should they "exert" rupted." in "Hamlet," which had been conce- themselves with the whole "power?" It looks to us like nonsense, and seems to have been inserted purely for Buncombe or Massachusetts!

> Section 18 and section 21 are identical in their meaning. Under section 18 the people lived from 1776 to 1868; without a suspension of the writ of habeas corpus, that great right of a causes of his being restrained of his 1.berty shall have their lawfulness inquired into, It was regarded as a bulwark, too strong to be broken down. But the Solons and the patriots o' 1868, in their zeat for full protection to the liberties of this poor people, concluded that this semi barbaric language of the "rebels" of 1776 was not quite suited to the "higher civilization" of their "reconstructed" days, and hence, they "piled Pelion upon Ossa," by adding section 21, which contains the beautiful and expressive, and clear and irrefragible guarantee, that "the privileges of the writ of habeas corpus shall not be suspended!" And yet, before two years had elapsed under this "donble and twisted" bulwark of powers of the Judiciary were "exhaust-

Look further at this instrument, which some persons tell us is an imsome of the very aristocratic boys are or that it would far more conduce to ter, as it was left in our old Constitu-A poor farmer in Scotland, in 1756, tion, to the discretion of the General finding it almost impossible to subsist, Assembly?
