SENATOR WITHERS, OF VIRGINIA. Senator Withers, of Virginia, says he regards the Civil Rights bill as a measure which can result in no benefit at all to the colored race, and is likely to increase antagonism between the whites and blacks. The Force bill be also regards as an unequivocal indication of a purpose on the part of Gen-eral Grant and the extremists of the R publican party to control the eleccon expression, is at a heavy discount, tion in the four States to which it would have been made applicable ast two months.

2d. That a third term nomination 1876 for General Green. The resumption of specie payment is, of course, the only sure remedy for the fluancial troubles; but a sudden contraction such as must occur in consequence of precipitate so ion in this di-South has rapidly lost strength of late, queues of precipitate action in this di-and a strong reaction in favor of just rection, must necessarily add to the stringency, and should, if possible, be avoided. The convertibility scheme has much to commend it as a means of preventing such cricis as that which occurred last year. In regard to the success of the Democratic party he said; "With ordinary suggesty in the manag ment of the Democratic par y, success in 1876 is assured. Extremists wil not control the action of the party, and the people, North and South, are tired of the war-instees. The struggle in 1876 will be one more sharply defined than ever before; in which the Constitution and the

> hands of the General Government will be advocated by the Republicans. Disguise it as they may, these are the essential points of difference, and, the issue being clearly presented before the people, he could not done what would be their verdict. SENATOR CHRISTIANCY, OF MICHIGAR. Sepator Christiancy, of Michigan, said se was a Republican, had noted koown as a party man. He had supported Republican princip es because

rights of the States under it will be

maintained by the Democratic party,

he thought them cight, and but because they were Republican. He was in no sense radical, and was glad to find a number of men of his thinking already in the Senate. He believed emphatically in equal rights to all men, but also in equal rights to all have acted with consistency, honesty States-a theory that he thought some men had forgotten. All laws must be general, and he was qualterably opposed to any legislation for Louisians which might not be applied to Michigan were the circumstances the same in both States. He favored all proper legislation to carry out the amend-

of each case as presented. SENATOR CAMERON THE SECOND. Senator Cameron, of Wisconsin, mutilated elequence, bill and billet the Republican party, and proposes to continue to act with that party, but was opposed to extreme measures in the government of the South. He was not a State-rights man as it was understood before the war, though he majority of one vote had streken down different signification. He believes in a policy toward the South which will encourage industry and establish pros-General Alcorn. General Ransom had perity in that section - a generous and magasnimous policy that will establish good-will and carry out the real object of the reconstruction measures.

As to the future, he was not enough tions, and would leave that to those BENATOR PADDOCK, OF NEBRASKA. reds Tipton, but is not a Liberal Republican after the ex-Senator's pattern. He thinks the Southern States should until such time as the people were prapared to establish new relations with the Federal Government. His confishaken, though be does not consider it necessary to test his fidelity with those who are more radical or extreme in their views. The sourse of the Administration in regard to Lousiana does not commend uself to his approval, neither does the effort to seat Pinchback. The future of the party

bonest regard for the needs of a people already burdened with taxes and The Dispatch of Wednesday last says: The Hall of the Young Men's ex-Governor Z. B. Vance, of North Carolina. With a gracefully eloquent introduction, in which he compared the "Scattered Nation" to the Guif stream, which steadily flows on and refuses to mingle with the waters of the ocean, the lecturer spoke of the origin of the Jewish nation, the land n which they lived, their government,
